This Is Just As
REFRESHING**

Fresh fruit drinks!
Orange and lemon fruit
made with a little
juices with fresh or
sweetening... crushed
soda water... it hits the spot.

Fresh Lime Rickys! The juices of fresh
limes, fresh or carbonated water, sweet-
ened, crushed ice added. Refreshing is
the correct word!

We serve ice cream, ices
and fountain drinks to the
most exacting tastes. And
(exclusive in Birming-
ham) we have a delicious
Dutch Process chocolate
flavoring.

She found
the Wabeek Shops
and
MORE LEISURE

Time was when her shopping tours were complicated... when it was necessary for her to "SEARCH"—spending hours and often driving to distant stores to find that which was needed.

AND THEN... She found the Wabeek Shops... and MORE LEISURE. For here, grouped in the same building, were shops in variety which met her demands so adequately, so satisfactorily that now she saves many important hours.

By concentrating your buying in The Wabeek Shops you can do it in far less time. You park conveniently (in the large parking areas to the north or east of the building) and selections can be made quickly and accurately, for so many of the items are nationally advertised that you know their value beforehand.
