# Birmingham Swimming Team Victors At Ann Arbor

## TANKERS AGAIN WIN MEET ON TECHNICAL TIE

**Baldwin Swimming Team Takes Five Out Of Eight Firsts To Win**

**BEST IN FREE-STYLE**

For the second time in its brief career the Baldwin High School swimming team scored a technical win on a tied meet, this time against University High in the Intramural Sports pool at Ann Arbor Friday afternoon.

The score of the meet resulted in a 32-32 tie, but as in the Wyandotte meet Baldwin was adjudged winner for having the largest number of first places, five to University High's three.

Baldwin captured the four free-style events, 50, 100, 220, and 200-yard relay, and the 100-yard breast stroke, and placed second in the back stroke, third in the 220-yard free style, and both second and third in the diving.

**May Win State Title**

Roszel, U. High's lone entry in the diving, looks good enough to take the Class B championship in that event in the State meet, diving preliminaries for which start early Saturday morning. He amassed a total of 76.9 points on eight excellently-executed dives. Edward Rochelau, of Baldwin, who placed second, totaled 54.6, and Dan Robertson, Baldwin, third, totaled 49.6.

The free-style relay was an easy win for the Maple tankmen. On the first lap Edgar Zimmer, the leadoff man for Baldwin, lost badly on the turns so that the second man, Alex McDiarmid, had a considerable lead to overcome. McDiarmid, however, put forth the best effort he has shown in his few weeks on the varsity, and overhauled Mulig, the University High swimmer, so well that John Botting, the third man, had only to maintain the pace, and Jack Hogan, last Baldwin man, led the field by more than half a lap and was able to loaf almost the entire last length of the pool.

John Botting, Baldwin's star 220 man, won his event by nearly three-quarters of the length of the pool, although the event was won in the time of 2:40. Tom Miller, sandy-haired, versatile free-styler and breast-stroke man, won the breast stroke event for the first time, finishing in 1:27, by a fraction of an inch ahead of the nearest U High man. Jack Hogan had very little trouble in taking the 50 and 100-yard free style events.

Summary:

Free-style relay: won by Baldwin (Zimmer, McDiarmid, Botting, Hogan), time 2:08.2.

## CROWD ENJOYS SENIOR PLAY

**"Lilies of the Field" Amuses Large Audience At Baldwin High**

"The Lilies of the Field", a comedy skit of modern English home life, was presented by the Baldwin High School senior class Thursday evening before a large audience in the Baldwin school auditorium.

The action of the play concerned the affairs of the two young daughters of the Vicar and his wife (Gilbert Hopper and Phyllis Goldsmith) and their contest for prizes offered by their grandmother as a birthday gift. One prize was a trip to London and the other was 10 yards of crepe de chine, offered by the efficient grandmother (Betty Erwin). Elizabeth, one of the Vicar's twin daughters, wins the trip to London because she succeeds in holding the attention of a young man interested in antiques, Barnaby Hadden, (George Atherton) falls in love with the shy Victorian miss and proposes to her. Elizabeth, (Virginia Helmuth) who played in a quandary because Barnaby did not know her true nature.

**Ask Permission To Wed**

The other twin daughter, Catherine, played admirably by Julia Kane, becomes interested in Bryan Ropes, (Gahm Kinnison). Both of the daughters asking their father, the vicar, for permission to marry, but they find him "firm as a rock". The ever-ready mother-in-law of the vicar takes up the battle and finally he is totally disarmed and both of his daughters are married.

Gilbert Hopper as the vicar with a "will of his own" did a clever bit of acting. Betty Erwin who took the role of the grandmother, was one of the outstanding performers and, Gahm Kinnison, created much amusement. The parts of the twin daughters were performed splendidly by Virginia Helmuth and Julia Kane. Another fine bit of character acting was done by Marjorie Phillips in the role of a chattering gossip, Lady Susan-Rocker.

One of the most interesting parts of the evening's activities was the performance between the first and second acts by Clarence Cummings, Baldwin's young magician.

## OFFICIAL GIVES TOURNEY RULES

In order to aid spectators who will attend the regional basketball tournament that is being held at Pontiac today, tomorrow and Saturday, Miles W. Robinson, a registered official, who is an instructor at Baldwin High School, has given The Eccentric a few rules that govern a tie game. They are as follows:

1—Five points are to be awarded to the team which makes the greater number of field goals. 2—Four points are to be awarded to the team which makes the greater percentage of its attempted foul throws. 3—Three points are to be awarded to the team which makes the least number of personal fouls.

In the event the teams are still tied each member will shoot one free throw and the team making the greatest number of shots out of a possible five will be the winner. The team that gets the greatest number of points on the above system or sinks the greatest number of free throws will be given one point to their previous score and this final score will stand as official.

This will be the last course before summer, Coach Engel says.

## Baldwin Plays St. Mary's Five In Cage Tourney Tomorrow

By W. STODDARD WHITE

For the second time in a week and last time in the season Baldwin High School's basket ball team's opponent will be St. Mary's High School of Orchard Lake. The occasion this time is the regional Class B basketball tournament, to be played in the Pontiac High gymnasium tomorrow evening at 8 p. m.

The Baldwin-St. Mary's game will be a preliminary contest to decide the regional Class B championship and decide the entries in the State meets to be held shortly.

**The regional tournament basket ball schedule as announced by Tournament Manager F. P. Snyder, is as follows (all games Friday night):**

**6 p. m.—St. Anthony's, Detroit, vs. St. Joseph's in Class B;**

**7 p. m.—Ferndale vs. Royal Oak in Class A;**

**8 p. m.—Baldwin of Birmingham vs. St. Mary's of Orchard Lake in Class B;**

**9 p. m.—Pontiac vs. Mt. Clemens in Class A.**

**Winners will go to the State Class A and B finals.**

St. Mary's Saturday night defeated the Maple five by a 19-18 score on the Hazel Park court in the district Class B tournament. The night before, St. Mary's had defeated Hazel Park and Baldwin had beaten Rochester. Baldwin and St. Mary's are the district entries in the regionals which progress tomorrow and Saturday, by virtue of being runner-up and winner, respectively.

**Improve in Second Half**

Saturday night the Maple five's old trouble of not being able to get started cropped up again, and St. Mary's had a distinct edge in the first two periods, at the end of which they led, 9-5. In the second half Baldwin awakened and exhibited a better brand of basketball.

This is probably the closest score which has ever occurred between Baldwin and the Eagles. Almost invariably St. Mary's is a more powerful team. They had the additional advantage Saturday of having had sufficient practice to be able to arch their shots. Baldwin's varsity quintet, on the other hand, practices nightly in the Quarton School gymnasium, woefully inadequate for interscholastic basketball. The ceiling at Quarton is so low that arching shots is impossible, and the Maroons are consequently hampered when they get in a larger gym. Through Charles Wetzel, Pontiac High coach, Coach Whitney attempted to secure use of the tournament floor for practice, but Pontiac school authorities refused permission, and, unless the Maples get their own floor most of this week they will be seriously handicapped.

Friday night Baldwin defeated Rochester High, a small Class B school, in the preliminaries of the district tournament. That the score was six higher than 34-21 is accounted for by the fact that almost the entire Baldwin second team played in the last two periods. Three Baldwin men were put out on fouls in the course of the contest, and the majority of the fouls were called unjustly, they and Mr. Whitney declare.

As a result of placing second in the district tourney Baldwin is possessor of the Hazel Park High School trophy, a silver cup. St. Mary's the winner, received the State basketball district trophy, and Hazel Park, taking third place by defeating Rochester in a Saturday preliminary, received the ball used in the championship contest.

The summary of the district final game with St. Mary's is as follows:

| BALDWIN (18) | | ST. MARY'S (19) |
|---|---|---|
| Chandler | F | Milczewski |
| Hunt | F | Grajewski |
| Brown | C | Michalowicz |
| Harris | G | Bavacz |

**Score by quarters:**

## SPEAKERS MEET IN COUNTY TEST

**Erlin Andrews And Marvel Carson Represent Baldwin At Holly, Mar. 27**

As a result of the speech contests held in the Baldwin Public Library last week, Baldwin High School's two representatives in the Oakland County speech contest to be held in the Holly High School Friday, Mar. 27, will be Erlin Andrews and Marvel Carson. Erlin will speak in the oratory contests while Marvel will be entered in declamations.

In the declamation contest held last week in the library Marvel won the judge's decision over a group of six other speakers. The judges were Mrs. Golda Holecheck, Mrs. Ethel Waterman, and Charles Hubbard. Phyllis Huston, a member of Baldwin's debating team, placed second in the declamation contests, and Eldridge Drury was awarded third position. Marvel's subject was "A Famous Knight." Phyllis spoke on "William Pitt's Speech in the British Parliament Against Employment of Indians Against the Colonists in the Revolutionary War." Eldridge gave the popular declamation "A Message to Garcia."

Others who were entered in the declamation contest and the subjects upon which they spoke were: William Guckleberg — "Minute Men"; George Love—"A Message to Garcia"; Frederick Boynton—"Liberty or Death." Jack Payton —"A Vision of War."

The speech contests held last week were a part of the eliminations of the oratory and declamation contests conducted annually in all high schools in the state by the Michigan High School Oratory Association. The winners of the county contest at Holly will go to the sub-district event to be held in the Mt. Clemens high school, Apr. 10. H. Earle Correvont, instructor of speech at the Baldwin High School, has not been informed as to the location of the district and state contest.

## Capacity Audience Attends Operetta

The Barnum School operetta, "Pandora's Box", was presented before a capacity audience Friday evening in the Barnum Junior High School auditorium. The entire cast and chorus of 160 voices was under the direction of Mrs. Edith Roach Coryell, director of vocal music in Barnum school.

The surprise was great when "Pandora's Box", a huge affair, was opened and a multitude of "little imps" jumped out. The scenic costumes and lighting effects were especially suited to the presentation and in the closing scene the entire cast of 160 appeared on the stage in a symphony of color.

## BALDWIN BRIEFS

Coach Miles W. Robinson of the Baldwin Junior High School basketball squad has named eight men who will receive letters for their work on the team during the past season. They are R. Harris, M. Hodge, L. Lucas, C. Miller, K. McBride, T. Huxford, A. McDiarmid, and C. Streb. Those who received honorable mention were H. McBride, H. Walsh, M. Doty, J. Holab, and S. Peabody.

Preparations are being made for the annual basketball party which is to be held in the Baldwin High School auditorium next Friday evening, Mar. 20. There is a possibility that the dance will be postponed as the basketball team, if successful in the regionals which it is playing now, will be entered in the state contests at Lansing next week-end.

When the basketball team received the runner up trophy which they won in the recently completed district tournament, it represented the first trophy won by a Baldwin team since 1925 when that year's outfit also won a trophy for securing runner-up position in the district title.

According to the Baldwinian advisers, Mrs. Aris Horwath, and Miss Ethel Hughes, all copy and engraved work has been turned in to the printers and the book only remains to be printed and bound to be ready for distribution about Mar. 15. On that date over 435 copies of the year-book will be delivered to the students who signed contracts for the book early last fall.

The feature of tomorrow's Baldwin High School Assembly program sponsored by the eleventh grade will be a lecture "How To Be Happy", by Lawrence H. Bart, of Pontiac. Advisers of the Junior class are Miss Ruth Hull, Miss Vida McGiffin, and Miss Merle Taylor. Another attraction on the program will be the appearance of the boys' glee club which will sing under the direction of Miss Mae Brumsted, director of vocal music at Baldwin High School.

Melvin C. Hart, principal of Baldwin high school is in Lansing today, attending a meeting of the executive council of the Michigan High School Principals' Association of which he is the president. General discussion of next year's program will feature the meeting.

## BARNUM BRIEFS

Barnum students were fortunate in being able to hear Anna Bird Stewart, noted poetess, in their school auditorium Tuesday afternoon. Miss Stewart, who talked Sunday at the Detroit Civic Theater, read poems, mostly from her popular book, "Little Brother Goose."

The regular meeting of the Barnum Parent-Teachers Association will be held Thursday, Mar. 19, it is announced. The annual election of officers will be held at this time.

**Score 20 Points To Defeat Juniors In First Annual Swimming Test**

The girls of the Class of 1933 won by a two-point margin the first annual girls' intra-mural swimming meet for Baldwin High School, held Monday afternoon at the Barnum Junior High School pool. The final scores were—Sophomores 20, Juniors 18, and Seniors 8.

Slightly behind until the last two events, the Soph mermaids closed up the lead and advanced sufficiently to pass their older sisters and win the meet. They took firsts in the racing back crawl, side stroke, and crawl. The Juniors took only one first, in the breast stroke, while the Senior team took two firsts, one when Marian Fowler won the diving event by a wide margin, and the other when their relay team of four members outstripped two six-member teams of the other two classes.

A non-competitive exhibition of diving and swimming, partly to music was given during the program.

## TEACHERS ENJOY HARD TIMES PARTY

**Amusing Costumes Worn At Gay Affair In The Community House, Wednesday**

More than 80 members of the Birmingham Teachers' Club attended the Hard Times Party sponsored by the entertainment committee and held in the Birmingham Community House last night. The men served the meal which was a plain "hard-times" dinner.

A contingent of teachers from each building in the Birmingham schools system gave a small feature that aided in the entertainment. Many amusing and bizarre costumes were worn by some of the teachers. Old fashioned games in place of the usual bridge routine made a very enjoyable evening.

Mrs. Ethel Waterman, Baldwin High School, is the chairman of the committee that was in charge of this affair. Others who served on the committee and aided in making the party a success were Miss Magdalene Frederick, principal of Quarton school; Mrs. Earle Correvont of Adams School; Melvin C. Hart, Baldwin, and Miss Inez McCoy, Pierce school.

*Why Learn Bookkeeping and Accounting?*

In order to determine net profit, or to know one's assets and liabilities, and also to have the necessary information for income tax reports, it is necessary to keep records. Bookkeeping and Accounting teach the most efficient methods of keeping these records and also the interpretation and classification of this information. Consequently there will always be a demand for competent bookkeepers, and many offices require young people who can do both Bookkeeping and Stenographic work.
