MYERS BAKERY

To Add **New Interest** to your Garden
 A rock garden
 An informal pool
 A dry laid stone wall
 A perennial border
 Let us make a suggestion as to how one or more of the above features might be incorporated in your garden plan. Our service includes the preparation of authentic landscape plans for new gardens and for the re-arrangement of natural plantings. The combination of choice material, proper planting, and careful supervision bring results that last, at moderate cost.
