Seniors Lose Intra-mural Basketball Contest

JUNIORS WIN INTER-CLASS CAGE TOURNEY

Take Trophy For Second Successive Year By Beating Seniors

SCORE 26-23 VICTORY

For the second successive year a team representing the Junior class of Baldwin High School won the inter-class basketball trophy from the Senior class in a game played Tuesday afternoon on the Baldwin High School court, 26-23. The team representing the Juniors also won the tourney last year when they were Sophomores.

The high-geared Junior outfit started fast and scored five points before the Seniors found the hoop to count two on Chandler's long heave. The Juniors dominated the game In the first quarter and led at the end of the opening period 9-4.

In the second quarter the seniors began to work their short pass attack and their forwards broke open repeatedly to score and bring their total to 12. However the Juniors added nine to their total and ended the half still in the lead 18-12. The second quarter was featured by fast playing on both teams and Harris and McDonough especially showed some fine passes and team work.

Score It Tied At 18

Beginning the second half Moore, Chandler and Erickson scored short shots for the Seniors to bring them within one point of taking the lead tying the score at 18 all near the end of the third period. Canever came through with a short shot to again put the Juniors in the lead and they were never threatened from that point.

The Juniors, holding a 20-18 lead at the start of the fourth quarter, attempted to stall and hold the advantage. Dalley came through with a nice one-handed toss for the Seniors and Moore made another follow-in to make the game interesting again. The Juniors made their total 26 and succeeded in holding the lead until the game ended 26-23.

The Juniors showed some fine team-work and fighting spirit and McDonough and Harris led them to an well-deserved victory. Harris, tiger and again, made nice passes to McDonough for scores, and played a good defensive game. For the Juniors McDonough and Brown led in scoring with 12 and eight points respectively. Chandler of the Seniors led both teams in scoring, registering 13 points on six field goals and one free toss. He connected for 10 points in the first half. Moore played a good defensive game as did Shave and Erickson who substituted for Edwin Deer, who was injured in Monday's game with the sophomores. Dalley played a good game for the seniors also while Canever for the juniors was in every play.

According to the officials of the game enough money was taken in to award both teams medals.

In a game preliminary to the main struggle the lowly Freshmen rose to new heights when they conquered a dispirited sophomore team 16-11. The freshies led all the way. Schwarze with six points and McBride with four led the Frosh offensive while Hunt was the shining light for the sopho-

TRUMPETERS GIVE THREE CONCERTS

Music Group Entertains Baldwin, Barnum And Adams School Children

The Cathedral Trumpeters, a group of young women musical entertainers, appeared before large crowds of school children in all three of the Birmingham junior and senior high schools Friday. In the morning the entertainers were at the Barnum school and in the afternoon they also appeared at the Adams Junior High School and Baldwin High School. More than 3500 students and teachers attended the performance that was given at Baldwin school.

Fern Casford, an entertaining reader and impersonator was a valuable addition to the trumpeters program and her sketch taken from life was applauded by the audience. Four other young musicians composed the personnel of the trumpeters and in addition to their combined musical program numerous solos were given, including piano, trumpet, saxophone, and accordian. One notable feature about the entertainers was the fact that each of the girls could play more than one instrument with equal merit.

The entertainers were brought to the Baldwin High School under the auspices of the Junior Washington Group.

AWARDS GIVEN CAGE PLAYERS

Harris, Chandler Honored At Annual Basketball Dance, Party

Derwood Harris and John Chandler, guard and forward respectively on the Baldwin High School basketball team, received awards for their work on the team during the past year, at the annual basketball dance, sponsored by the Board of Education, held in the Baldwin auditorium Friday evening. On the previous evening the members of the squad and their fathers were tendered a banquet by the mothers of the boys in the school cafeteria.

The gymnasium was decorated to resemble a pirate ship, under the direction of faculty advisers, Miss Rhoda Densmore, Miss Grace Carruthers and Franklyn Allen Whitney. In the center of the gym a ship's mast was placed and on top of it the "crow's nest." As one entered the gym he was greeted by a band of small pirates who accommodated him by helping him across the "gangplank."

350 In Attendance

Members of the Board of Education and parents of the team members composed the reception committee that received more than 350 boys and girls during the evening.

Melvin C. Hart, principal of Baldwin High School, in presenting the Maroon and White most valuable player award, to Derwood Harris, outlined some of the things for which the award stood, naming attendance at practices, honor standing, and team spirit, as three of the prime factors on which the award was based. Edwin Deer, on behalf of the team, presented a gold watch fob with an engraved basketball on it to John Chandler, honorary captain.

On the previous evening on the occasion of the banquet, short speeches were given by Clarence Vliet, Melvin C. Hart, Coach Franklyn Whitney, Chandler, Edwin Deer, George Shave, and Wilbur Dalley. Derwood Harris replied for the players who will be back next year saying that the increased popularity of basketball in junior high would be of some aid to Baldwin High Schools team next season. Chandler, on behalf of the basketball team, presented an engraved wall plaque to Coach Whitney. Mrs. John Chandler replied for the mothers saying that she believed that the sports branch of the high school were in capable hands. Joseph Dalley acted as chairman at the banquet. Mrs. H. D. Harris and Mrs. M. J. Deer were the mothers in charge of the program.

BALDWIN BRIEFS

A questionnaire will be circulated in the senior high school soon to see how many boys and girls are interested in inter-class activities to aid E. T. Engel in arranging the spring schedule. In all probability there will be inter-class teams in softball, tennis, and golf. Melvin C. Hart, principal of Baldwin, sees this arrangement as an advantage inasmuch as it affords an opportunity to engage in sports to a greater number of students than previously.

Though the spring activity schedule for the Junior High Schools has not yet been arranged it is the opinion of Melvin C. Hart, principal of Baldwin, that there will be Junior High School teams in soft-ball, tennis, and track. There is not much likelihood of a baseball league, officials say.

The second round of the Metropolitan Spelling Bee will be held in all the village schools Friday afternoon. The winners of the school bees will go to the District Bee to be held in Barnum Junior High School, Apr. 17.

Clarence Vliet, superintendent of schools, and Melvin C. Hart, principal of Baldwin High, will attend the meeting of the Representative Assembly of the Michigan Education Association to be held at Lansing Friday and Saturday. They are the official delegates of the convention representing Birmingham. Officers for next year will be elected at the meeting.

BEST IN SCHOLARSHIP

The scholarship banner at Adams school for the first five week period was won by the 7B home room whose teacher is Mrs. Ann Conrevort. Their percentage of students on the honor roll was 17.85 per cent as compared with the second place winners, the 7A's who had a percentage of 9.02.
