International Program Presented By Local Club

"International Treated Objectively" even to the arrangement of the tea table was the keynote of the program of the Women's Literary Club at its meeting Tuesday afternoon in the Baldwin Public Library auditorium.

The program was arranged by the World's Work department of the club, and was presented under the chairmanship of Mrs. H. D. Crull, assisted by Mrs. Robert Chissus. One of the interesting features of the program was that it was consistently international in character.

The tea table with its Irish linen cloth, its Japanese garden as a center piece, and the English tea and Danish pastry served as refreshments, combined to carry out the idea. Not forgetting the remainder of the tea service, which was American in character.

The program opened with a clever impersonation of the well-beloved Harry Lauder, given by Janet McCarthy, a pupil at Baldwin High School. This was followed by a Scotch dance presented by Baldwin pupils under the direction of Miss Frances Stevenson. A Dutch dance by Marion Geesick and Marjorie Kidder.
