## MAPLES BOW TO ROCHESTER

Rain Halts Track Meet With Visitors Leading, 56 to 39

Rochester High School's track team and a combination of rain and mud proved too much for Baldwin High's track and field met last Saturday morning when they dropped an abbreviated struggle to the visitors at Pierce field, 56 to 39.

## Rain Hurts Chances

There is a possibility that Baldwin will have won one of the meet if the three postponed events had been held.

## WAS BAD ENOUGH FOR THOSE WHO CAME, BUT MUCH WORSE FOR THOSE WHO DIDN'T

That, in short, is the setting for a brief drama enacted by three varsity clubs who did not attend the Saturday afternoon when about 60 eligibles for the club who had earned letters in sports during the last year were formally and warmly ushered into the inner circle.

The poor athletes who did come were herded into the Baldwin gym, huddled and led around the arena to await the warming up exercises, of which there were plenty for all. In fact, when the Baldwin High faculty members who were so fortunate as to be invited are known to have broken out in a cold sweat.
