

NETTERS ADD TO WINNING STREAK

Cranbrook Tennis Team Scores Two More Victories In Week

Two more victories have been added to the perfect record of the Cranbrook tennis team. Last Wednesday the Blue and Gray netters took four out of five matches to win from Highland Park, and on Saturday the visiting team from Cleveland University School was defeated by a similar score.

Samplings, playing number one in the singles, showed considerable improvement over his early season form, and came through with a good record in both meets, defeating Freeman of Highland Park in odd sets, and winning over the Cleveland U. S. number one man in straight sets. Wilcox has also had in two triumphs in as many matches, while Wurzburg has won once. Levy, number three man against Cleveland, lost after a hard fought match in which good playing was exhibited on both sides.

In the doubles, the team of Macdonald and Levy has been doing the most consistent work. After winning over their Highland Park opponents while Talman and Sempliner were losing, the first named combination was raised to position of number one in the doubles in this capacity. They accredited themselves, were against Cleveland, Macdonald turning in an especially good performance. Talman and Sempliner on a poorly played game in the second meet.

ADAMS HIGH WINS SOFTBALL CROWN

Divides Last Two Games To End Season At Top Of School League

Splitting even in two baseball games last week, Adams Junior High School ended the Village School League softball season with a record of five victories and three defeats to win the championship and gain five points towards the activity championship cup. Barnum and Baldwin teams also split their games to end the season in second and third positions respectively.

BALDWIN BRIEFS

The Howell family, Bohemian glass blowers, appeared in a program at the Baldwin High School this morning. They showed how many artistic glass images are made. A lecture accompanied the program.

The regular junior high school assembly program has been postponed until Friday, May 29. The serial map of Birmingham which was one of the outstanding features of the 1931 Baldwinian was not drawn solely by John Lucien Shepherd as stated in the Eccentric last week. Donald Stewart, a sophomore at Baldwin, also had a distinctive part in this tour.

BOYS! BOYS! BOYS! for a free glider read the story in this issue of The Eccentric. —adv\*

A Great State to Live in and A Great State to Visit

Michigan is great in extent and in scenic beauty... great in its natural resources and its industries... great in its history, its traditions, and the character and spirit of its citizens.

Consider its mines and forests, its fertile fields and its productive orchards and vineyards. Think of its beautiful lakes and streams, its diversified industries and its splendid educational institutions.

Michigan is a good place to live. Here Nature is kind. We are not visited with flood, drought or other disasters to any degree. Nowhere else can people work more profitably or under better conditions than in Michigan.

And no state has more to offer the tourist, whether from outside or within the state.

Michigan is a great state to live in and a great state to visit!
