Why Learn Touch Typewriting?

A Pontiac dentist says that all of his children will learn both shorthand and typewriting before they go to college as they can use them so extensively there. And of course for a stenographer, bookkeeper, or secretary, typewriting is a necessity.

Perfection In Service

The average individual rarely ever realizes fully just how much the modern funeral director does. True perfection in mortuary service lies not in the display of the effort required to make everything go forward smoothly, but rather in keeping such efforts hidden. Being able to render a service that anticipates every wish and desire is the important thing. That is true perfection.
