

BARNUM PLANS HUGE CONCERT

500 Students To Appear in Combined Grade, Junior High Recital

More than 500 students of Barnum school will participate in the first annual combined grade and junior high concert to be held in the Barnum school auditorium Friday evening at 7:30 o'clock. The performance is being staged under the direction of Mrs. Edith Bosch Corryell, instructress in vocal music.

A feature of the concert will be the appearance of a primary band composed of 60 first and second grade students. A harmonica band, and the Barnum Junior High School band playing under the direction of A. W. Barndt, instrumental music department teacher, will constitute the remainder of the instrumental program.

The songs to be sung by kindergarten children are based on the subject, "Animal Land." The first and second grade children will sing "Jubilation, the third and fourth grades will offer songs on "Weather Land," and the last two

Picked The Right Street

Environment, long a disputed factor in the education of children, seems to have scored a very unusual triumph with the announcement that Sylvia Weiler, of East Tawas, a close friend of Mary Emma Green, June class valedictorian at Baldwin High, has been named valedictorian of the East Tawas High School June graduating class.

Mary Emma and Sylvia lived for more than five years next door to each other on Brownell street. Sylvia left Birmingham in 1929, attending school at Baldwin previous to her departure.

grades will present a "Farm Land" program. The advanced music classes will sing popular and classical songs.

Two puppet shows, "Mikado" and "Robinson Crusoe," will be presented before the advanced classes give their selections. Miss Dena Hallock is assisting Mrs. Corryell as faculty accompanist. Lella Teple is the student accompanist. Tickets are now on sale.

That's it! The attitude of congress on the bonus is that 4,000,000 votes can't be wrong.—Dallas News.

HUSTON IS SIXTH IN STATE CONTEST

Two Judges Rate Baldwin Senior Third in Speech Finals

Joseph Huston, Baldwin High School senior, placed sixth in the Michigan state high school extempore speaking contest held at Western State Teachers' College, Kalamazoo, last Saturday evening. His topic was "Nicaragua" and he secured two third places in the balloting of the judges. Contestants in the finals drew for topics one half hour before the contest began.

The silver championship loving cup was won by Charles Brownson, Flint Central, who took first place in the contest with his brilliant analysis of presidential criticisms on the topic, "Hoover, after Two Years." Cassius Easton of Pontiac won second place, and Kathleen Prater of Paw Paw, the only girl in the final, won third. First and second place winners received gold and silver medals respectively.

Huston captured second places in both the sub-district and district contests to earn the right to represent Baldwin in the state final. He is the second Baldwin student ever to qualify. Carpenter Hewitt reached the state finals in 1927, the first year that a state high school extempore contest was held.

Baldwin Students To Revive Carnival

After a lapse of several years a carnival will again make its appearance in Birmingham Friday and Saturday, June 5 and 6, when the first annual Birmingham Washington Group carnival will be held on the grounds of the Hill School. There will be performances in the afternoon, on both days and on Saturday the carnival will open at 1 o'clock in the afternoon and remain open until midnight.

The traditional carnival equipment, including the Ferris wheel, a merry-go-round and other amusement devices, will be available and several of the organizations at Baldwin High School will operate concession stands. A vaudeville program is being planned under the direction of Mrs. Frances Stephenson, girls' physical educational director.

This carnival is the first major project of the newly organized Washington Group at Baldwin. W. S. Foubaker is the director of the group. The senior advisors are William Maywood and Miss Freda Huggett.

Maples Score Four Points At Lansing; Prep For S. E. A. A.

Baldwin High's track team today is preparing for the annual S. E. A. A. track meet to be held Saturday, June 6, after having scored four points in the state intercollegiate meet for lower Michigan held at East Lansing last Friday and Saturday.

Baldwin's crew scored all four points when he took a third in the Class B 220-yard low hurdles and fifth in the broad jump.

Stone and Roland Brown both qualified for the finals where they lost last year, was decidedly off form Saturday and failed to place in the finals.

Advanced Baldwin Vocal Students To Give Recital June 3

The annual vocal recital of advanced music students at Baldwin High School will be held in the school auditorium next Wednesday evening, June 3, under the supervision of Miss Mae E. Brumsted, director of vocal classes at Baldwin High School. Both popular and classical numbers by choruses and individuals will constitute the program.

On the following Wednesday, June 10, the music classes of Baldwin, both vocal and instrumental, will offer a concert in the auditorium. A. W. Berndt, director of instrumental music in the village schools, will conduct the instrumental part of the program and Miss Brumsted will lead the choruses.

Both of these musical programs are open to the public and each begins at 8:30 P. M.

COUNCIL CANDIDATES TO OPEN CAMPAIGNS

Campaign speeches for nominees to the Baldwin Junior High School student council will be made in the junior high session room tomorrow afternoon.

Nominees for the offices are as follows: president, Mary Quinn, Dick Hart, Bill Hutchison; vice-president, Ted Huxford and John Wilson; secretary-treasurer, Jean Shearer, Mildred Smith, and Maxwell Mathews.

Bill Hutchison, Bob Savage and Jane Brede are the incumbents. The election will probably be held next week.

New Directory Describes 270 Oakland County Lakes, Lists Trout Streams

Complete descriptions of 270 Oakland County lakes and a list of the county's trout streams are contained in a 120-page Michigan Lakes and Streams Directory just published by the Magazine of Michigan.

The Oakland County lakes, according to the directory, are distributed by townships as follows: Addison, seven; Avon, one; Bloomfield, 19; Brandon, 13; Commerce, 14; Groveland, seven; Highland, 20; Holly, 34; Independence, 16; Lyons, one; Milford, seven; Novi, two; Oakland, seven; Orion, 15; Oxford, 15; Pontiac, five; Rose, 18; Springfield, 14; Waterford, 24; West Bloomfield, 16; and White Lake, 15.

This grouping does not take into account lakes included in more than one township.

Fifty-one of the lakes are listed as having extensive resort development, 54 with boat livery, 96 with good swimming facilities, and 102 as most frequented.

Names which are duplicated in the county, and held in more than one place, are:

Big, two; Buckhorn, two; Cass, two; Cranberry, four; Fish, three; Forest, two; Grass, four; Green, two; Green's, four; Hart, two; Long, five; Loon, three; Miller's, two; Morgan, two; Mad, 13; Pine, three; Pleasant, three; Round, three; Spring, three; Square, two; Walters, two; and Wilson two.

The directory contains information assembled from many different sources, including the Oakland chapter of the Isak Walton League of America, Robert McClure, the county conservation officer, acting on behalf of the league, supplied much of the information.

One of the editors of the Directory is Chester Dorman Kelly, formerly of Birmingham.

Alumni Plan Reunion

Officers of the Birmingham Alumni Association are meeting tonight at Baldwin High School to make final arrangements for a Baldwin alumni reunion to be held in the high school building Friday, June 19. The graduates of the 1931 June class at Baldwin are to be guests of honor. A novelty surprise program is being arranged.

REDUCE YOUR COST OF FINE-CAR OWNERSHIP WITH OAKLAND EIGHT

an outstanding General Motors value

Naturally we are interested to know why people like the new Oakland Eight. And so, recently we asked a young couple what pleased them so much. Their answers were different in some ways—as men and women are supposed to be—yet pretty much the same when you analyze them!

The woman said:

"Well, for one thing, I can feel the quality of the upholstery. I know it is genuine mohair—and that convinces me that the car is well made all the way through.

"Then, I think, the Oakland is just as good-looking and smart as can be—and in such good taste. The seats are splendid, too, with their deep cushions—and I can easily move the driver's seat forward or back to suit me exactly.

"It's no effort at all for me to steer the Oakland—and in traffic it's just fine how quickly it gets away. Of course, I don't pretend to know mechanical things, but the gears surely do shift easily." (Yes, indeed, they do—they're Synchro-Mesh!)

The man said:

"Oakland struck me as an exceptionally good buy. It has real size... a full-grown, man's car. And I like the solid construction. When I slammed the doors the car felt sound and well-built.

"I'm all for the new Oakland's motor. To me, a car that hasn't got plenty of speed and power simply won't do... surely like the zick-up and this powerful big eight. It just eats up hills."

smoothness I get with

Of course, what they both really liked was the all-round value Oakland offers for the money. A man may not understand fabrics as a woman does—but he wants quality and durability there. A woman can't be expected to know motors—but she wants reliability and fine performance. Oakland has the qualities everyone wants, and it saves owners money on these qualities. Naturally, our owners are pleased, and are talking about Oakland to their friends.

Needless to say, the best way to get a true picture is to drive the car, or ride in it. That you can do by arranging with

any Oakland-Pontiac dealer for a demonstration—at your convenience and free of obligation.

One important step in reducing your cost of car ownership is Oakland-Pontiac's policy of equipping its cars ready for the road. Prices you see advertised for Oakland and Pontiac cars are the prices you actually pay, with no equipment or delivery charges to be added.

Cars are equipped with front and rear bumpers, four hydraulic shock absorbers, five wire wheels, and extra tire, tube and tire lock. Wood wheels optional at no extra cost.
