Season's First Track Meet Won By Fordson

BALDWIN 2ND IN QUAD MEET

School Tracksters Open Season With Good Showing At Grosse Pointe

3rd and Second places registered by Canever and Shepherd in the javelin throw gave the Birmingham High School track team second place in its first meet of the season held with three other S. E. A. A. schools at Grosse Pointe Friday afternoon. The final score of the quadrangular contest was Fordson 53, Birmingham 40½, Grosse Pointe 33½, Port Huron 23.

Fordson easily won the meet, backing up first place winners with seconds and thirds. With two events to be run off, the javelin and the 880-yard relay, Grosse Pointe was holding second place over the Baldwin team by a margin of six points. Canever tossed the javelin 133 feet to win over his teammate, Shepherd, who took second place with a heave of 129 feet 8 inches. Grosse Pointe and Birmingham tied for third in the 880-yard relay, with Fordson taking another first.

Take Four Firsts

Baldwin's tracksters took firsts in the 120-yard low hurdles, the 220-yard low hurdles, the javelin throw, and a tie for first in the high jump. Brown, of Birmingham, won the first event, the high hurdles, without being extended. Clayton Brelsford of the Baldwin team, and Retz from Fordson each earned four points when they tied for the high jump event at 5 feet 9 inches. Harry Collins took the fourth first for Birmingham with a victory in the low hurdles.

Birmingham presented a well-balanced team and placed in every event except the pole vault and the shot put. Black, of Grosse Pointe, took the pole vault event at 9 feet 6 inches. Battle, dusky Port Huron star, won the shot-put and also took a second in the broad jump.

Canever scored seven points for Baldwin, taking a third in the mile run besides winning the javelin. C. Brelsford was originally booked to run the mile, but during the meet it was found he would be unable to compete in both the high jump and the mile run.

Kaiser, Grosse Pointe's all-around athlete, was the high point man of the meet, taking firsts in the 100-yard dash and the discus, and placing third in the 220-yard dash.

Showing Favorable

Considering the inexperience of many of the members of Baldwin's track team, the outcome of the first meet can be viewed favorably by Baldwin supporters. Second place in any quadrangular meet is good and competing with three teams of the calibre of Grosse Pointe, Port Huron and Fordson it is excellent for a school of Baldwin's size. With improvement which will come with more practice Baldwin can look forward to some victories in dual contests this season, and perhaps to a high place in the state meet.

Franklyn Allen Whitney, Baldwin coach, who is serving his first year as track mentor, was hopeful over the season's prospects as seen in Friday's meet.

CRANBROOK WINS THIRD STRAIGHT

Blue And Gray Staves Off Batchelder Hall Rally for 9-7 Win

Gaining its third victory in four starts, Cranbrook's baseball nine took over Batchelder Hall of Romeo last Monday by the score of 9 to 7. Runs garnered by the Blue and Gray in the fourth and sixth innings proved sufficient to withstand a last period rally by the home team while counted three times in the seventh but failed to tie the score.

Both teams got off to a good start, Batchelder Hall scoring twice in the first inning to Cranbrook's single run. From then on, however, the Blue and Gray scored steadily while Batchelder failed even to get on base for two innings. Renaud, substituting for Osbun in the first inning, retired six batters in succession during the next two periods.

Cranbrook's big time came in the fourth, when three hits netted three runs and put the visitors in commanding lead. With the end of the seventh, the score stood 9 to 4 for the visitors, but Batchelder Hall put up a good rally which brought in three runs off Lefebvre. Hoyt was substituted with one out and struck out the next two batters.

10th Grade Gives Assembly Program

One of the most interesting assembly programs of the year was presented in the Baldwin High School auditorium Friday morning by the 10th grade under the direction of its advisors, Mrs. Carol Darling, Miss Ethel Hughes, and Mrs. Frances Stephenson.

Janet McCarthy was one of the outstanding actors in a program that was designed to represent various phases of life in different countries. She impersonated Maurice Chevalier and Harry Lauder. A feature of the pageant was the style show originating in France with boys taking the models' parts. The stock market crash was the skit representing America.

Girls Lead Boys As Honor Students At Baldwin High

That familiar saying, "We girls are just smarter than you boys, that's all," seems to be true in Birmingham, at least if the records of the graduating classes at Baldwin High School for the last seven years are considered.

Since 1925 there have been but three boys chosen as valedictorian or salutatorian of their graduating classes, while during the same period 17 girls have been so honored.

This year, in both the January and June graduating classes, girls again occupy the foremost honor positions at the school. The last boy to break through the feminine stronghold was Thomas Wilson, who was valedictorian of the June, 1930, class.

Roderick Cox, who is now pursuing a fine career at the University of Michigan, was one of the best all-around students ever graduated from Baldwin. Besides starring in various school sports he was valedictorian of the January, 1929, graduating class. Jack Ali, June '26, was the salutatorian of his class.

And the rest are girls, as will be seen from the following list of first and second honor students at Baldwin compiled from records of the last seven years:

June, 1925, Alice Clement and Margaret Rainey; June, 1926, Mildred Roode and Jack Ali; June, 1927, Mildred Green and Charlotte Dood; June, 1928, Marion Quarton and Mildred Patterson; January, 1929, Roderick Cox and Jane Porter; June, 1929, Winifred Quarton and Frances Stephens; January, 1930, Frances Frye and Jane Stolberg; June, 1930, Thomas Wilson and Barbara Stecker; January, 1931, Esther Rainey and Virginia Hugg; June, 1931, Mary Emma Green and Nancy Johnson.

SOPHS LEAD CLASS RACE

Make Seniors Victims of Third Straight Win; Frosh Trim Juniors

With one half of the senior high school inter-class soft-ball schedule completed, the sophomore class is leading the league race with three victories and no defeats as a result of its triumph over the seniors, 19 to 18, and the freshmen's victory over the juniors, 16 to 11, Monday afternoon. The sophomores scored the winning run in the first half of the seventh frame.

The sophs gained an early lead, but until the last of the sixth it was a close battle. In the sixth the seniors counted four times to take the lead, 18 to 15. The upper-classmen blew up in the seventh inning and three errors aided the sophs in scoring four markers to hold a one run lead going into the last half of the final inning.

Robertson, lead-off man in this frame, singled through short and reached third on two infield outs. He attempted to steal home and Wedge, soph catcher, failed to touch him. Robertson was ruled out, however, because Geisel, next senior batter, was said by the umpire to have interfered with the play. It was the opinion of many of the spectators that Geisel had stepped out of the batter's box, but the official's ruling stood, giving the sophs the game by a one-run margin.

Many Errors

Shave started in the box for the seniors, but was hit freely until Harris relieved him in the sixth. Both teams played loosely in spots and most of the runs resulted from errors. Bunyan started on the mound for the sophs but he was succeeded by Wedge, who in turn gave way to Cassidy. Cassidy was the winning pitcher. McKee, soph slugger, hit a home run over the left field fence with one man on in the first inning.

The biggest surprise of the afternoon was the defeat of the juniors by the frosh, 16 to 11. Trailing, 9 to 4 in the fifth inning, the Freshmen batted around and counted six times to take a lead they held to the end of the game. Griffith did the hurling for the frosh, while Annette and McClelland divided the pitching assignment for the juniors.

Last Friday the sophomores defeated the freshmen, 17 to 8 in a game that had been postponed from the previous week. The sophs have registered victories over each of the other teams and seem to be headed for a league championship. Next Monday the seniors will tangle with the juniors to settle second place, while the sophs will have their hands full playing the rejuvenated freshmen.

Cranbrook Trims Detroit Netmen

While the Cranbrook baseball team was trimming the visitors from Detroit University School, the Blue and Gray netmen turned in a similar record, defeating the D. U. S. players, 2 matches to 1. Last Monday, the tennis team, however, fell to Pontiac High School, losing every match but the doubles.

Cranbrook has shown consistent strength in the doubles matches, the team of Sempliner and W. Talman winning every encounter. Against D. U. S. they won an easy match, but against Pontiac were hard put to come out on the long end of the score.

In the singles there has been no consistent strength shown. Sempliner, number one man, has lost every match, and against Pontiac all three singles matches were lost. Wilcox handed in the one singles victory in the two matches when he defeated Thomas of D. U. S. on Thursday.

Baldwin Net Team Loses After Winning First Two Starts

After winning from Ferndale and Royal Oak in two previous starts, the Baldwin High School tennis team lost to the Cranbrook netters in a contest played on the Cranbrook courts Tuesday afternoon, 4-3.

Mills and Whalen each won but one set from their respective opponents, Sempliner and Wilcox, while the doubles team of Maximoff and Matthews took the first set of their match with Levy and Wilcox. This last doubles match was called a draw, with the game score two-all in the second set.

Coach William Maywood of the Baldwin team is not disheartened at the Cranbrook setback. In fact, he believes that if the team keeps up its present pace it will have a better than even chance of beating Monroe and Adrian in matches this afternoon and tomorrow. Both are S. E. A. A. tilts.

Last Friday, playing against Ferndale on the Barnum courts, Baldwin racket-wielders won all of their singles but lost the only game of doubles played, Moore and Brien losing to the Ferndale team, 8-6, 6-8, 6-8. Mills dropped the first set in his singles match but took the last two to win. Payton and Whalen both won singles matches for Baldwin.

Baldwin won its second league tennis match of the year when the team took Royal Oak to camp, 3-1, in a tilt played on the Royal Oak courts, Monday afternoon. Both doubles teams representing Baldwin—Moore and Brien, and Mills and Whalen—won their games, while Mills also won a singles match. Payton lost the only game of the tilt to Ball of Royal Oak.

CRANBROOK NINE EDGES BERKLEY

Two-Run Rally in Last Inning Gives Locals 11 to 10 Victory

A two-run rally in the last inning gave Cranbrook School an 11 to 10 victory over Berkley High on the Cranbrook diamond in a seven-inning contest Tuesday afternoon.

Cranbrook entered the last half of the seventh inning on the small end of a 10 to 9 count. Lefebvre, first up, clouted a triple, and scored when the Berkley infield bobbled Hoyt's grounder. McArthur, running for Hoyt, later scored the winning run on a sacrifice by Rauch.

Hughes, Berkley hurler, held Cranbrook to three hits and struck out 10 batters, but his teammates' errors proved his undoing.

The score by innings:

Berkley	3	0	4	0	2	0	0	0	—10
