PAY YOUR SCHOOL TAXES BY BUYING SCHOOL NOTES

Taxes are levied each winter to pay the running expenses of the township, county and state.

A part of this tax-income goes to meet the cost of running the Birmingham schools.

These taxes are payable between January and April, 1932.

The School Board is asking YOU to pay the school share of this tax now, instead of later.

For those with extra funds, these notes offer a safe and profitable investment—paying interest at the rate of 6%.

Ask your local banker today about these notes, or inquire at the office of the Board of Education in the Baldwin High School.
