A LEADING automobile manufacturer advises the purchasers of his product as follows: "Your car is a splendid piece of machinery. If properly cared for, it will give you years of satisfactory service at little

Years of Satisfactory Service . . . At Little Cost!

These are the results when your These are the results when your service work is done at our Fire-stone One-Stop Station, by ex-perienced men, who are provided with special service equipment . . . Men competent in their experience and skill who are interested, more than any one else, in the personal satisfaction will service the service of the servic

you get from your car over a period of years.

This Firestone Service protects your investment. The competent,

regular attention to the many details of up-keep is the secret of long automobile life. With pistons traveling hundreds of feet per minute, with brake linings and drums subject to terrific pressure and friction, with batteries called on for an abnormal supply of current under gruelling conditions, and tires taking the brunt of shocks and grinding never realized by the driver. It is only natural that competent attention.

REGULARLY ... is pecessary for their satisfactory perforsary for their satisfactory perfor-

And so, Sternal's Firestone One And so, Sternal's Firestone One-Stop Service is one of real purpose . . . a station of complete and special equipment, with skilled men who realize the importance of competent service. It is a men who realize the importance of competent service. It is a service station for YOU . . . to help you secure the utmost in driving satisfaction, and protect the splendid piece of machinery that is . . . YOUR CAR!
