CRANBROOK IN OPENER FRIDAY

The Cranbrook grid squad is reported to be in good shape for the conflict with Melvindale High School tomorrow.

The game will be played at Cranbrook.

The week has been spent in vigorous work-out, with plenty of scrimmages, to afford Coach Keppel an opportunity to line up his new prospects.

In the line, Demerick, Andrea and Milner are among the new-

comers who show promise, while Brennan has demonstrated ability in the backfield. Little, Lovett, Tezler, Fottler, and Gilray are among several former junior varsity men who are gaining experience with the varsity squad.

The loss of the veterans, Sawyer, Rose and Hoyt, has left 15 letter-men on the team. Ward, Renaud, Wilson, Gillis, Otis, Mauck, and Lynch are all experienced linemen. Backfield letter-men who have returned this year are Raymond, Raich, Wells, Miller, Wilcox, Harfist, and Himsbaw.

The squad now numbers 46 men, out of which Coach Keppel expects to pick a team which will tip that of last year, although it lost but one game, and scored 131 points to its opponents' 81.

Reserve Material Shows Well In Victory Over St. Anthony's

The Baldwin High School football team won its opening game with St. Anthony's High of Detroit at Pieter Field, Friday, 12 to 0.

The teams battled throughout in a cold, driving rain which made both the ball and the field treacherously slippery.

Hurst, playing fullback for the Maples, crossed the line twice, once in the first and once in the last quarter, to score the only points of the game.

Both teams played well on the defense but poorly on the attack, Birmingham having only a slight advantage on the latter.

blocking and making the holes they should have made.

Over-anxiety on Birmingham's part caused many possibilities for off-side.

BALDWIN VARSITY MEN EAT AND EAT

Baldwin Varsity men went on a mild spree at Bloomfield Township Park, Monday evening.

Three coaches, Miles Robinson, Donald P. Joy and F. W. C. Doney, and 35 members of the club were present.

The chief source of entertainment was, of course, the meal. Each member brought some eatable, and some brought sandwiches, some brought long and some brought short. This was followed by a treat of a bottle of pop by the coaches.

This is the first of a series of such affairs planned by the club.

BALDWIN HARRIERS TO RACE DEARBORN

School Opens on Enemy Course Saturday; Prospects Look Good

The Baldwin High School cross-country season will open Saturday with a meet at Dearborn.

Led by Captain-elect Canever, the Baldwin harriers are looking forward to a successful year. There was some doubt at the beginning of the season as to whether there would be a team, due to the small number of candidates, but since the re-opening of school the squad has steadily increased until the number now exceeds that of last year.

Letter men besides Canever who are back in uniform are Owens and Conwell, last year's captain. The most promising newcomers include Ward, Belling, Maunders, Gibbons, Fuller, Brooks and Morrow.

After the Dearborn meet, the Baldwin runners will face the following schedule:
Oct. 10, Ferndale, here; Oct. 17, open; Oct. 24, regional meet; Oct. 31, state meet.

Baldwin Hi Debate Team Chosen; Only One Veteran Back

But one veteran from last year's team, Phyllis Huston, will be on the list of this year's Baldwin High school debaters, according to an announcement by H. Earle Corrovert, coach of the Baldwin team.

Others who were successful in tryouts for positions on the team are Marvel Carson, prominent last year in oratory work; George Dwelley, Bruce Hurston, Malcolm Philips and James Walker.

The first test of the season for the Baldwin trio will be the meet with Flint Northern High, to be held at Birmingham on Oct. 16.

MEN WHO PLAY FAIR

Jack and I were having a "squalor" about bills. It had started as a joke, but now the air was blue.

"I don't care how you run your business," I said. "I'll pay my bills soon enough, and that's that! My money is for better use!"

"But, Peg, there is no better use for your money than getting your bills paid. We are doing ourselves a favor when we keep our credit good!"

"I can't see how," was all I could say.

"Well, suppose you charged some furniture on your account. That was a promise to pay within a certain time. The time passes and the bill is not paid. Your creditor loses faith in you... your name loses prestige... and wherever credit was given you, your name has a question mark after it!"

"So you see, if we pay our bills more promptly, we'd always be able to have credit... and, incidentally, the respect of our neighbors!"

"Yes, but, Jack, they know we're honest and will pay. A few weeks more or less shouldn't make so much difference."

Jack was dignified now, so I knew he was serious.

"Delay in paying," he replied, "causes our creditors just as much trouble as though the manager should forget to pay my salary for several months... The money we owe them is their salary. And they have to eat, too!"

To tell the truth, I hadn't thought of credit in just that way. Jack wasn't finished with me, however.

"What's more, Peg," he went on, "we're the ones who benefit from credit. They allow us the goods and the money besides. We're really not playing square!"

"We'd be doing ourselves a favor if we paid our bills promptly!"
