MARTIN BLUNT DIES, AGED 83

Widely Known Auctioneer Served As Township, School Official

Martin H. Blunt, descendant of a pioneer family, died at his home in Warren, Sunday, at the age of 83 years. Mr. Blunt was widely known throughout Royal Oak and Bloomfield Townships as an auctioneer and for his public service as former township treasurer and as a member of the Lamphere School Board for 50 years.

Mr. Blunt, whose residence of late years faced the old homestead in which he was born, was the son of John Martin Blunt and Lomira Hopkins. His father came from New York State in 1835 and obtained a grant of land from the Government on which to farm and make his home. In 1837 the father married Miss Lomira Hopkins who lived on a farm at Crooks and Fourteen-Mile roads, on property now known as the "Stauch farm."

The couple went to live remained in isolation as it was not until five years after their marriage that a wagon road was built past their door. After this event they waited two years longer for a wagon to make the journey over the road.

The deceased was born in 1848, and in 1884 married Miss Kate Fanner, who survives. They became the parents of two sons, Waldo E. and Loren O., and two daughters, Mrs. Lomira Edgar of Fermdale and Miss Berinthia M., all of whom survive.

Mr. Blunt taught in the Lamphere District School for three years and in Huron County for one year. He was a member of the Knights of Pythias and I. O. O. F.

Funeral services were held Tuesday with Rev. John Austin, former minister of the Methodist Church of Warren, officiating. Burial was in Oakview Cemetery.

Lee A White Tells Exchange Club Of His European Trip

Birmingham Exchangites Tuesday noon at the Community House were taken on a pictorial trip of 13,000 miles through England Scotland, France, Germany, Spain, Italy, and the Scandinavian countries when Lee A White, of Brookside Drive, told of his four months' trip this past summer.

Mr. White showed 1,700 feet of motion pictures, at the same time keeping up a rapid fire verbal description of the various places which he and his family visited.

Contrary to popular belief, the trip was comparatively inexpensive, costing, he said, about $4 per person per day. He said that a motor trip, such as he took, was the best way to really see the various countries, and study the customs of the people.

He experienced no difficulty from customs officials in passing from one country to another, he said. The photography was clear and, because of Mr. White's newspaper training, revealed the high lights of the countries through which he passed.

BOARD REFUSES TO PAY DAMAGE CLAIM

The School Board at its meeting Tuesday night refused to honor a petition of Mrs. H. M. Kipp for $17 to pay for medical treatment necessitated when she fell and broke a shoulder while swinging in Barnum pool last July 28.

Mrs. Kipp, through Business Manager Louis M. Randall, claimed expenses incurred by the injury amounted to $100. She received $33 from the public liability insurance policy of the school, and said she would be willing to stand half of the entire expense if the board would pay the remaining $17.

The board declined on the grounds it could not be held liable for the injury.

WOULD STUDY TAX SAVING PROPOSAL

Possibility Of Consolidating Schools Suggested By Bailey Lake

Possibility of consolidating rural schools as a means of reducing the rural school tax will be studied by the Bailey Lake School Board of Clarkston if other districts can be interested in the proposal.

In a letter to The Eccentric this week, the Bailey Lake Board said: "We have been reading in the papers of late, several articles urging consolidation of various political units as a measure of economy.

"We find ourselves without facts upon which to base an intelligent opinion, and we have a curiosity to learn whether experience shows that the rural school tax decreases with consolidation.

"We believe some other districts are in the same predicament and we should like to get in with them in solving the problem.

"If any school districts experiencing the same curiosity will send us their names, this board will act as a committee of arrangements and call a joint meeting for the purpose of appointing a committee to ascertain the facts of the case."

expenses incident to the operation of the necessary functions of government and I predict that, upon the maturity of obligations presently maturing, it is going to be most difficult to re-finance those maturing obligations in which event the inevitable will occur—that is, the tax receipts such as are paid will be garnished by the creditors of your municipalities."

Mr. Berry reported at the meeting on the results of a conference he and Mr. Moore held Monday with Governor Brucker in Lansing, when Brucker was asked to order withdrawal of the State Tax Commission from Oakland County and promised to give the request immediate attention.

In closing the meeting, Charles J. Shain, chairman of the property Owners' Division, declared that in the future that organization will begin to make itself felt as a real power in government.

"In the past," he said, "recommendations made by the Property Owners' Division to public officials and units of government have in several instances been ignored. In the future, we are determined that these recommendations will get immediate action."

dent Harry Allen. "The Commission has been reluctant to go into any repairing work whatever until conditions improve."

He answered Elder's criticism that the Eton paving job had been let to an outside contractor even though a Birmingham man bid for the work by stating that the village "can't fairly let any job except to the lowest bidder."

Elder suggested that a reduction in the pay of village employes in the higher wage brackets would release enough funds for sidewalk repairing. "I think the high salaried men should feel the oppression a little the same as us guys," he declared.

The discussion ended abruptly when the Commission turned to the payment of bills as the next order of business.
