

Grid Squad Res; Reserves Win Tilt

Baldwin High Debaters Lose Decision To Flint Northern In Season Opener

The Baldwin High School debating trio was defeated in its opening contest with Flint Northern High Friday. Frederick B. McKay, professor of speech at Michigan State College, who Flint Northern, was the outstand-

ing speaker of the evening, however. He was the one directly responsible for his team's winning. Phyllis Hutton, George Drexler, and James Walker, members of the Baldwin team, upheld the affirmative of the question. "Resolved that the State of Michigan should adopt a plan of unemployment insurance."

The debate was a regularly scheduled contest in the Southern States Debating Association. A debate scheduled with Port Huron for today has been postponed indefinitely because it was announced at the school yesterday.

BERKLEY BOWS TO CRANBROOK

Hills School Scores Three Touchdowns In Last Three For 31-12 Victory

The Cranbrook School football team showed unusual reserve strength in a game with Berkley High at Cranbrook field last Friday. While a lighter and faster Berkley team held Cranbrook to a 12-12 tie in the first half, the Blue and Gray came back with a rush to score 19 points in the last two periods, winning, 31 to 12.

The first half showed the Cranbrook line to be weak in spots, the Berkley line blocking several punts and opening repeated holes in the right side.

In the Cranbrook backfield, Rauch and Pattengill started, Rauch making four touchdowns. Pattengill ran a punt back 71 yards to make the other score in the most spectacular play of the game. Lynch's placekicks failed to click, and the only extra point of the game was made on a run by Rauch.

Captain Hughes, of Berkley, started on offense, in addition to handling his team very ably.

JUNIOR HI HONOR ROLLS RELEASED

Barnum, Adams Schools Name Star Students For First Five Weeks

First five weeks honor rolls have been announced by both Barnum and Adams junior highs. To have his name placed on this roll a student must have a mark of "B" or above in scholarship, and a mark of 2 or above in citizenship.

SECONDS TRIM PONTIAC, 6-0

Baldwin Grid Reserves Gain Revenge For Last Season's Defeat

The Baldwin High football reserves wiped out a 20 to 0 defeat of last year when they trounced the Pontiac Reserves at Pontiac Saturday, 6 to 0.

Halsey, Baldwin halfback, ran around the end for 11 yards to score the winning touchdown. Pontiac, in spite of its superior weight, was unable to make many big gains. Birmingham's ground game ability was shown in the last quarter when two 15 yard penalties were run back with no apparent effort.

Drumm, playing center, and Bresford, quarterback, proved valuable in backing up the Baldwin line, which was ragged in spots. Halsey helped with his punting and kick going 75 yards with the assistance of the wind.

Guckleberg and McBride were the outstanding ball-carriers. Coach Franklin Whitney was anxious to win and so sent in as few substitutes as possible.

The Birmingham lineup was as follows:

Loss, L. C.; Laughlin, L. T.; Dixon, G. C.; Stolberg, T. G.; Cushing, R. T.; Boynton, R. C.; Halsey, L. H.; McBride, F. H.; Guckleberg, F. B.

Substitutions: Miller for Boynton, Dennison for Laughlin.

JUNIOR NET TITLE GOES TO BARNUM

Adams Finishes Second, Baldwin Third In Tennis Schedule

Barnum Junior High's tennis team copped first place in the junior high league when it defeated Adams last Thursday. Adams took second place by swamping Baldwin on Monday.

In Thursday's match both Phillips and Mix, Barnum singles players, played heads-up tennis and each defeated his opponent without much difficulty.

Jones and Morrow, Barnum doubles team, were defeated by Dinnell and Cummings of Adams.

The scores were: Mix defeated McCormick, 6-2, 6-0; Phillips beat Price, 6-3, 6-0; Cummings and Dinnell defeated Jones and Morrow, 4-1, 10-8.

Baldwin and Adams tangled Monday to decide the second place winner. Adams won the victory with little difficulty by taking one singles match and the doubles.

Dinnell and Cummings, of Adams, took Schafer and Lawler of Baldwin down to the tune of 6-2.

McCormick, Adams star player, defeated Hulbert of Baldwin, 6-1, 6-2.

Magician, Coach Entertain Club

The Baldwin Varsity Club was entertained Monday evening at its regular meeting by Clarence Cummings, student magician, and Coach Franklin Whitney, who spoke on "Athletics at the University of Chicago."

At the last meeting it was decided to appoint a committee each week to provide entertainment at the next meeting. Gerald Anderson and Roy Annett were the first to be enlisted under this ruling.

A steak roast and treasure hunt are being planned in which both the Varsity Club and the Girls Athletic Association will participate.

STUDENTS ATTEND SYMPHONY CONCERT

Students of the Birmingham Junior High music appreciation classes had the pleasure of hearing the concert given by the Detroit Symphony Orchestra Tuesday.

Following the concert some of the students attended a social given by Serge Rachmaninoff, world-famed pianist.

NEGRO QUINTET TO SING AT BALDWIN

The Mason Jubilee Singers, a noted Negro quintet, will provide the entertainment at an assembly to be held in the Baldwin High School auditorium at 1:15 P. M. Wednesday, Oct. 28. The public is invited to attend. Tickets will be obtainable at the door.

TEA-DANCE FOLLOWS GAME AT CRANBROOK

Following the football game Howe Military Academy Saturday, the upper school of Kingswood is expected to attend. An Ann Arbor orchestra will play for the dancing.

Adams Junior High Students To Give 3-Act Play, Nov. 20

"Strawberry Kate," a jovial, up-to-date play in three acts, will be presented by the students of Adams Junior High School, Friday, Nov. 20, in their auditorium. Heading the cast is Roberta Chisum who will fill the role of Kate.

Other students having leading parts in the play are Lucille Hallett as Mrs. Winton, Jane Pope as Hazel Downing, Yvonne Gay as Gwendolyn Norton, Mavis Robertson as Minnie Hotzappel, Dorothy Porritt as Betty Crawford, Elizabeth White as Chrysantheum, John Parker as Bob Crawford, Jack Cummings as Charly Granger, Robert Bender as Tommy, Jim Schooley as Ezra Norton and Page Dinnell as Jim Tucker.

Mrs. Ann Corvont and Mrs. Della Wilson will direct the play.

HARRIERS BOW TO ROYAL OAK AGAIN

Maple Runners First, Second, But Lag In Final Tally

Royal Oak High School for the second time this season defeated the Baldwin harriers by a narrow margin in a meet held Saturday at Royal Oak. The final score was 26 to 42.

Fourteen men ran for Royal Oak and nine for Birmingham, but only the first six from each team were counted.

Owens and Captain Canever of Baldwin placed first and second respectively. Botting took sixth, while Gibbons, Magdoff and Ward finished 10th, 11th and 12th.

The squad will present two teams against Ferndale Saturday between the halves of the football game.

ACTION in 5/100ths of a second

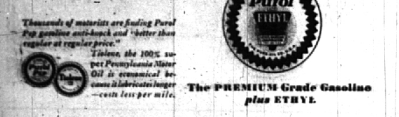

That's how long your motor allows for gasoline to do its work when you're driving 30 miles per hour. Every time a cylinder fires the gasoline must ignite, burn and start the piston downward in 5/100ths of a second. And it must burn completely or you'll be troubled with carbon—it must burn evenly and instantly or you lose power.

It takes a premium grade gasoline, such as Purol-Ethyl, with surging power refined into it, to give you this full-powered, hair-trigger action your motor requires for maximum performance!

Ethyl fluid in Purol-Ethyl utilizes all the power of the gasoline by eliminating the "knock". But in Purol-Ethyl, the gasoline itself is packed full of eager energy.

It ignites instantly, making quick starting a reality. It burns evenly, eliminating vibration. It burns completely, leaving less carbon, and gives greater mileage because all of it is converted into purring power.

Unless the full power of your motor—get out of the power plant all your manufacturer built into it. Fill up today with Purol-Ethyl and enjoy split-second performance. There is a difference.

Nothing less than a six can give you built-in smoothness

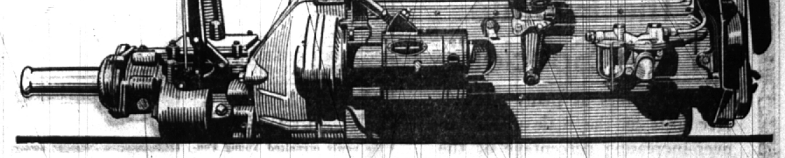

The whole question was settled long ago—as to how many cylinders it takes in a motor car engine to give satisfactory smoothness. Science definitely established the fact that at least six are necessary. And today, the public accepts the multi-cylinder engine in the same way that it accepts 4-wheel brakes, parallel-mounted springs and every other principle of proved and acknowledged superiority. Everybody knows that nothing less than a six can give you built-in smoothness.

This general acceptance of the multi-cylinder idea has had a great deal to do with the fact that the Chevrolet, month after month, during 1931, has been the largest selling automobile. For Chevrolet is a six.

Today, this six-cylinder smoothness and dependability are within reach of every new car buyer. For Chevrolet has produced a quality car, powered it with a firmly-mounted six-cylinder motor—engineered it to run at less expense for gas, oil and upkeep than any other car—and priced it right down among the very lowest-priced cars in the market.
