New East Lane On Wider Woodward Opened To Public In Record Time

Another key chapter in the long history of Wider Woodward avenue was written Sunday with the opening to public traffic of the new east lane between Eleven Mile road in Royal Oak and Lincoln avenue in Birmingham.

The 4½ mile stretch was completed in less than 60 days, for which the J. A. Mercier Company, Detroit contractors, claim a new record as one of the most rapid jobs ever put through in the state.

The project required 14,500 feet of sewerage to provide proper drainage, 46,000 feet of curb and gutter, and the removal of 65,000 tons of gravel in excavation work. Between 300 and 400 men were employed on the job, and all unskilled labor was secured in Oakland County through the co-operation of county and state relief bureaus.

Wider Woodward has always been one of the "pet" projects of John A. Mercier, president of the construction company, who with Frank J. Knight, vice-president and manager is now personally supervising the work of finishing the sides and center of the highway between the two traffic lanes, preparatory to seeding for an ornamental grass plot.

Mr. Mercier, one of the most picturesque figures in the construction business, began in modest way 40 years ago with a horse and plow. Today he is the head of one of the best equipped and most efficient construction organizations in the state.

Completion of the strip south of Birmingham leaves only a few miles through the village, along the old Grand Trunk right-of-way to Bloomfield Hills, yet to be paved, before the entire Wider Woodward project is finished. This is expected to be done next summer.

VILLAGE RESOLVES TO VACATE ALLEY

The alley in the block bounded by Yosemite, Villa, Dixie and Adams roads was ordered closed and vacated Monday night in a resolution adopted by the Village Commission. The closing had been petitioned by property owners of the district who said they desired to place landscaping improvements on the alley.

Easements on the entire district were retained by the village on account of a sanitary sewer which runs beneath the alley.
