Enlarged Course At Pine Lake Ready In June

The new holes under construction on the course at Pine Lake Country Club will be ready for play in June, according to club officials.

The course has been considerably enlarged and considerably changed made, with greater yardage as the result. To relieve congestion on the third tee, it has been moved forward to a new location.

Members of the club observed Stag Day Wednesday with a mystery tournament and buffet luncheon at which the losers in the tournament were hosts to the winners.

The club house will close for the season Oct. 12.

Irwin Neff of Linden road left Tuesday to attend the Y. M. C. A. College in Chicago.

Saturday Eve Dances For Young People Start This Week At Community House

"On with the dance!" sang Byron, and the young people of Birmingham have taken up with the refrain. So insistent was the demand of the high school group who attended the Saturday night dances at the Community House that the reason will open a month earlier than usual. The first dance will be held Saturday evening at 9 P. M.

"As a rule we start these dances in November about Thanksgiving," Mrs. H. E. Whalen, a member of the committee in charge, explained, "but this year the young people simply demanded that we begin the dances this month."

"As there was no serious reason why they should not have this opportunity, we decided to comply with their request."

Mrs. Charles Burgess is chairman of the committee. Assisting her are Mrs. L. M. Baker, Mrs. W. B. Brown, Mrs. James White and Mrs. Whalen.

An opportunity will be given to all mothers of young people attending the dances to assist the standing committee as hostesses during the season.

"If any of the mothers would like to join our committee we shall be glad to have their cooperation," Mrs. Whalen said, "as we feel it will offer them an opportunity to share in the entertainment of their children and to become acquainted with their sons and daughters."

"The Neapolitan Knights" is the new name selected by Dick Brown for the orchestra, which is composed of boys of high school age.

Mrs. Mary V. Jigger of Ferndale avenue attended the state convention of the Daughters of the American Revolution held in Detroit this week as delegate from Chippewa Chapter, Iron Mountain, Mich., of which she is a member.

Mrs. and Mrs. W. W. Miller of Oklawaha, Fla., were recent guests of their daughter and son-in-law, Mr. and Mrs. R. H. Lee of Beauvoir, returned to their home last week.
