

BARNUM SCORES

2 NET VICTORIES

Trounces Baldwin And Adams As Junior High Schedule Opens

Barnum Junior High won its first two tennis matches of the season by defeating both Adams and Baldwin Junior Highs last week.

On Thursday, Barnum trimmed Baldwin with little difficulty. Robert Mix, Barnum numbers one man, defeated John Hilbert, Baldwin star, 6-0, 6-0 and Frank Philips beat Peter Schafer, 6-2, 6-1.

The doubles were played for Barnum by Irving Jones and William Morrow who took down the Baldwin team to the tune of 6-0, 6-0.

Barnum had a slightly harder time in beating Adams on Friday, losing the doubles but winning the match with two singles victories.

Mix of Barnum played his usual fast, peppy game, defeating Ralph Price 6-0, 6-0.

The doubles for Barnum were played this time by Cecil More-

house and Dean Beier who were defeated by Jack Cummings and Frank Dinnel. The final score was 6-3, 6-4.

Starting at 4 o'clock and battling until nearly dark, Frank Philips and Bud McCormick fought until each was nearly ready to drop. Philips finally downing McCormick, 5-7, 6-4, 8-6.

Students At Adams Plan Archery Squad

Adams School has secured the permission of Knox Popperton to use his field on Oxford drive as an athletic field again this year and the Adams students are already making plans for an archery range.

The range will have a large backdrop and three or four targets.

According to Marilyn Smiley, manual arts teacher at Adams, the Birmingham schools will try to play off the village archery championship this fall, instead of in the spring as last year.

In the spring, Mr. Smiley says, it is hoped to have a team made up from the best junior high archers in Birmingham. This team will compete in tournaments with schools outside the village.

Baldwin Gridders Bow To Port Huron, 18 to 6; Cranbrook Wins Opener

Hills School Eleven Downs Melvindale High, 9 to 6

Cranbrook's first football game of the season resulted in a victory for the Hills school over Melvindale High last Friday, 9 to 6.

The first score of the game was made in the first quarter, when Lynch, Cranbrook tackle, blocked a kick which rolled over the goal line, counting two points for the Blue and Grey.

The Cranbrook team displaying its old fault of slow starting in the early periods, and the half ended without further scoring.

The third quarter showed improvement, however, and after fighting the ball the length of the field, Rauch, Cranbrook quarterback, carried it across the line standing up.

The last period resulted in a touchdown for Melvindale, the quarterback, Hyder, intercepted a pass, and ran 40 yards for a score.

While Lynch's kick from placement, after the touchdown, succeeded, Melvindale's failed, and the game ended with the score 9 to 6.

Several Cranbrook veterans who were ineligible last week will be back in the lineup. The lineup for last Friday's game follows:

| | | |
|---------|-------|------------|
| Lincoln | I. E. | Melvindale |
| Lynch | L. T. | Bone |
| Gibbs | I. E. | Hyder |
| Brant | J. C. | Windsor |
| Mack | R. T. | T. Trahan |
| Wells | F. B. | J. Gifford |
| Wells | F. B. | Hulletts |
| Wells | F. B. | Dushane |
| Harris | H. B. | Hyder |
| Roach | Q. W. | Hyder |

Officials: Referee, Remington; umpire, Touchdowns: Rauch (C); Hyder (S); Point after touchdown: Lynch (C); Safety: Cranbrook.

Maples Outgain Foe In Yardage, But Lack Scoring Power

The Baldwin High School football squad for the second successive season bowed in defeat before the Port Huron team Saturday at Port Huron, 18 to 6.

The game was played on a dry, sandy field and was almost free of penalties.

In the first quarter, Port Huron was clearly out-played, but then on the Baldwinians appeared to have lost much of their power, worn down by the superior weight of their opponents. In the course of the whole game, however, Birmingham gained 200 yards from scrimmage and 13 first downs, while Port Huron gained only 130 yards and six first downs.

Bunyan, Maple halfback, crossed all the lines at the end of the first quarter with nobody within five yards of him to count the opening touchdown. This followed a long march down the field.

Line Holds

In the second quarter Port Huron pushed the ball 55 yards to reach the three-yard line. Here, Birmingham's line held, but on the last down the ball was advanced the one yard necessary for a first down. Baldwin held again for three more downs, but finally gave way and allowed Hazette to go for the tying touchdown.

Birmingham carried the ball back 65 yards to the two-yard line with one down to go. A pass over the goal line was incomplete and the ball was put in play in Port Huron's possession on the 20-yard line, from where Birmingham drivers managed to work for another Port Huron touchdown.

With but a few minutes of play left, Birmingham made some costly fumbles which resulted in the third quarter, Donaldson, attacking a forward pass, let the ball fall out of his hand. Port Huron recovered and advanced to the three-yard line from where Hill plunged over on the next play.

Bunyan, Hunt Out

Bunyan and Hunt were removed early in the game to avoid possible injuries. Wedge, Curry, Usher, and Hilly played a good defensive game, while Harris, Rocheleau and Hunt made most of the gains.

Birmingham's punting was not to be compared with that of Hill and Klunsviter of Port Huron.

STUDENTS WOULD HONOR LATE COACH

The Baldwin Varsity Club held a regular meeting in the Community House Monday evening. Coach Ed T. Engel suggested that a memorial be held for the late Coach George F. Johnson should be erected at Baldwin High School. This would consist of a large picture of Mr. Johnson with a cup, in a small case, below. The name of the best student-athlete would be engraved on the cap each year.

Arrangements will be made with Mrs. Johnson on with the senior class to provide for the trophy.

Baldwin Harriers Lose To Dearborn

Both of the Baldwin High School cross-country teams set to Dearborn Saturday were defeated. The combined final score was 32 to 23.

Owners, of Birmingham, took second place, Captain Canever was sixth and Mauders and Conwell finished ninth and 10th respectively.

FIRST MAPLE LEAF OF YEAR PUBLISHED

The first edition of the Maple Leaf, Barnum Junior High's official publication, made its appearance Friday.

This is the third semester the Maple Leaf has been in existence, and with the resignation of Dean Beier as editor, Annabelle Dahlquist, business manager, stepped into his place. Other officers of the staff are Betty Smith, business manager; Irving Jones, boys sports editor; Dorothy Stief, girls sports editor; and William Gal, cartoon editor.

America's most economical truck

is now available in 25 different models priced as low as \$140—complete with body

NOTE: The model priced at \$140 is the open cab pick-up.

1 1/2-ton 157-inch Stake Truck **\$180***
(Dual wheels standard)

By actual road performance, week after week, month after month—the six-cylinder Chevrolet has proved its right to be called America's most economical truck.

Owners have found that on a ton-mile basis Chevrolet costs less for gas and oil, less for upkeep and less for service than any other truck—regardless of the number of cylinders. And price-comparison will show that this big, sturdy Chevrolet Six is one of the lowest-priced trucks you can buy.

Today, any truck user can apply this economy to his own particular work. The current Chevrolet commercial car line covers practically every delivery and hauling need. Twenty-five different models. Half-ton and 1 1/2-ton pay-load capacities. Three wheelbase lengths. A wide variety of Chevrolet-designed and Chevrolet-built bodies. Just name the type of truck you need—and you will very likely find it in Chevrolet's all-inclusive line.

Each Chevrolet truck has a 50-h.p. six-cylinder engine—25% more powerful than any other engine in a truck priced so low. Maximum load-capacity is assured by unusually large bodies, supported by long rigid frames and long parallel-mounted springs. And Chevrolet truck prices are among the lowest in the commercial car market.

\$355 1 1/2-ton 131-inch wheelbase chassis (Dual wheels standard) **\$520** 1 1/2-ton 157-inch wheelbase chassis (Dual wheels standard) **\$590**

*All truck chassis prices f. o. b. Flint, Michigan. All truck body prices f. o. b. Indianapolis, Indiana. Special equipment extra. Low delivered prices only apply G. M. A. C. terms.

if you bought 1,000 tons of Genuine Semet-Solvay Coke you'd find the same high quality in each

PROCESSES and raw coal used in the manufacture of SEMET-SOLVAY COKE are standardized. The quality of each ton is therefore uniformly assured. Constant tests are made to insure high heating efficiency. After all, you buy fuel only for its capacity to produce heat. When you buy genuine SEMET-SOLVAY COKE, you get exactly what you pay for.

Although it costs no more, SEMET-SOLVAY COKE is the most concentrated of all solid fuels, containing practically pure carbon. SEMET-SOLVAY COKE is smokeless and sootless, highly responsive and gives a wide range of heating temperatures. Let us have your fuel order—we will be glad to assist you in the selection of the proper size for your furnace.

MEN WHO PLAY FAIR

"We'd be doing ourselves a favor if we paid our bills promptly!"

Jack and I were having a "squabble" about bills. It had started as a joke, but now the air was blue.

"I don't care how you run your business," I said, "I'll pay my bills soon enough, and that's that. My money is for better use!"

"But, Peg, there is no better use for your money than getting your bills paid. We are doing ourselves a favor when we keep our credit good!"

"I can't see how," was all I could say.

"Well, suppose you charged some furniture on your account. That was a promise to pay within a certain time. The time passes and the bill is not paid. Your creditor loses faith in you. . . your name loses prestige. . . and wherever credit was given you, your name has a question mark after it!"

"So you see, if we pay our bills more promptly, we'd always be able to have credit . . . and, incidentally, the respect of our neighbors!"

"Yes, but, Jack, they know we're honest and will pay. A few weeks more or less shouldn't make so much difference."

Jack was dignified now, so *Y* knew he was serious.

"Delay in paying," he replied, "takes out credits just as much trouble as though the manager should forget to pay my salary for several months. . . The money we owe them is their salary. And they have to eat, too!"

To tell the truth, I hadn't thought of credit in just that way. Jack wasn't finished with me, however.

"What's more, Peg," he went on, "we're the ones who benefit from credit. They allow us the goods on the money basis. We're really not playing square!"
