"If You Do As Well By Me As You Have Done For My Sisters I Shall Be Entirely Satisfied"

was the statement made by a recent graduate of the Secretarial Course. About six years ago one sister was placed in a Pontiac office where she is earning about $40.00 a week. About two years ago another sister was placed at a beginning salary of $22.50 a week, and she is now earning $30.00 a week.

The fourth member of this family expects to enroll soon.

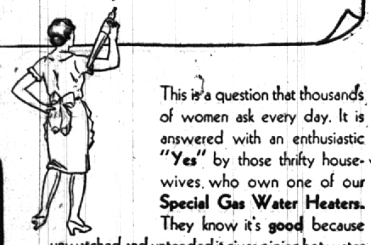
Can Hot Water be GOOD and CHEAP at the same time—?



This is a question that thousands of women ask every day. It is answered with an enthusiastic "Yes" by those thrifty housewives who own one of our Special Gas Water Heaters. They know it's good because unwatched and untended it gives piping hot water at the turn of the faucet any hour of the day or night. They know it's cheap because of its new construction which reduces the gas consumption to a figure almost unbelievably low.

One out of every eight of our gas customers owns one of these special heaters. These women know that hot water service CAN be good and cheap at the same time.
