We're thinking of the sunshine that is scattered through Greeting Cards. It's a gracious thing to do—this sending of Greetings, for they are but reflections of your thoughts. They carry congratulations on birthdays, weddings, anniversaries—cheery get-well greetings make the days brighter for shut-ins—while messages of thoughtful sympathy are never forgotten.

For every occasion there's a Greeting Card . . . and at LaBelle's you may select from one of the most carefully chosen collections in Michigan.

N. B. So that they will send them promptly, many of our patrons are keeping a selection of them in their writing desks.
