More Open Discussion Needed In Village Business
The Eccentric, in chalf of local taxpayers, has protested reseatedly against the Village Commission's researches habit of conducting its business in so-called Commission from which the public is harred, and will continue to do so as long as occasion demands.

Such occasion arose again Monday night when the Colimission adopted unanimously and without courses three esolutions, the merits of which had been stabilished, in the minds of the commissioneer, at east, at Osca previous "tar-chamber" sessions.
