Without More Dolls, Girls Face A Dreary Christmas

An appeal for dolls to fill small, empty arms on Christmas morning, was issued today by Mrs. Harry S. Stark and Mrs. J. L. White, both of Pinewood avenue, who are undertaking to provide dolls for those Birmingham children who otherwise would be without them.

Mrs. Stark, Mrs. White and numerous others, engaged in the pleasant task of making doll clothes, have come to the aid of the Birmingham Goodfellows, who heretofore have never received a sufficient number of dolls with their toy donations.

As a result, many a small girl in the past has looked in vain for a doll on Christmas Day, only because the supply of dolls contributed gave out before the demand was filled.

This year, to avoid such disappointments and to bring happiness as many small girls in Birmingham on Christmas Day as possible, Mrs. Stark and Mrs. White have assumed charge of the collection and dressing of dolls, which will be returned to the Goodfellow Club headquarters before Christmas for distribution with the rest of the toys.

Although any doll will be gladly accepted, the need is primarily for dressed dolls as the time is short for outfitting them, Mrs. Stark pointed out. The next most desired donation is that of money to enable the committee to purchase dolls at wholesale prices, she said.

Among those who have taken dolls to dress are the Cornet Club, a group of high school girls who will dress five; Mrs. Stark and Mrs. White, each of whom will dress five dolls; Mrs. Ray McCutcheon, four dolls; Mrs. E. M. Otterman and her daughter, Louise, three dolls; and Mrs. W. Dale Weitzel and Miss Marguerite Kamin, each of whom will dress two dolls. Others who will dress one doll each are Mrs. M. D. Mills, Mrs. E. S. Jackson, Miss Barbara Jackson, Mrs. Edward D. Lanes, Miss Janet Hart, Mrs. Burt D. Thompson, Mrs. Otto Beier, Mrs. George M. Rounds and Miss Betty Eade.

Those who have contributed money which will be used to purchase necessary material, shoes and stockings for the dolls and new dolls, include Mrs. Draper Allen, Mrs. D. C. Mills, Mrs. W. D. Roy, and Mrs. Thomas Navin.

Contributions of dolls or money may be made to either Mrs. Stark or Mrs. White.

SCOUT NEWS
BOY SCOUTS OF AMERICA

By JULES WENZL

At their regular monthly meeting last night at the Community House, Birmingham scoutleaders gave considerable thought to the President Hoover Award for Achievement made during 1932. Briefly stated, the requirements by which a troop may receive this award are that the scoutmaster, assistant Scoutmasters and all other officers of the troop know thoroughly the Ten Year Program of Growth as set forth in a pamphlet issued by the National Council; that there be a gain in registration for 1932 over that of 1931, and that there be two points for advancement per registered scout. As there is a possibility that at least two troops from Birmingham will be in line for this award, every effort is being made by the scoutmasters of these groups to fulfill the necessary requirements by Dec. 31.

Discussions were also held on the forthcoming Court of Honor and means of raising money for the Birmingham District Committee.

—o—

In accordance with the unanimous desires of the members of the Birmingham District Committee the regular monthly meeting will be held next Monday evening at Camp George. Dinner will be served at 6:30 P. M. sharp. A general business meeting will follow the meal, at which time officers for the ensuing year will be elected. As this is one of the most important meetings of the year, all members are urged to be in attendance.

HEARD IT SAID BY

Lawrence Hulbert, village commissioner: "It is not difficult to understand how a new product can be launched on the market successfully through the medium of radio advertising, but there is a question in my mind how much value the advertisers of a well established product receive, dollar for dollar, from this method. I still think the proper place for advertising is the newspapers."

RELICS RECALL PAST HISTORY

Franklin Antiques Date Back More Than Century And A Half

More than a century and a half of history, much of it concerning Michigan and Oakland county, is reflected in a collection of valued and tradition-bound relics and antiques now on display in the window of Beth Wood's general store in Franklin.

The collection was gathered around a nucleus of several articles of historical significance owned by William Jones, Mr. Wood's assistant in the store, who was instrumental in rounding out the display with contributions of antiques from several other residents of the community.

Among the most interesting of the articles are an English grease lamp, 178 years old, and a Britania kerosene lamp of pewter and tallow, believed to be one of the first of its kind ever made.

There are three tin and ball pistols, all over 100 years old, and a number of muzzle loading cap and ball rifles, one of which dates back 114 years. The display of arms also includes a Spanish cutlass seized on a ship in the Gulf of Mexico in the War of 1812.

A land grant signed by President Martin Van Buren in 1838 for a piece of property in Lapeer County is displayed along with a University of Michigan catalogue for the year 1850-51. A walking stick on which are carved the names of Michigan graduates of the class of '79, a Franklin justice of the peace court docket dating from 1822, and a chart published in 1848 bearing the photographs of the nation's presidnts from Washington to Polk.

An ox shoe, a peel for winding flax, and old-fashioned spinning wheel, powder horns, a candle mold and candle lamp, together with a letter, still in remarkable state of preservation, written by a California gold prospector in 1853 to a resident of Franklin, are among other interesting articles in the exhibit.

Ticket Sale Brisk For Minstrel Show

Second Performance Of Legion Production May Be Necessary, Chairman Says

Tickets for the minstrel show to be presented in Baldwin High School Auditorium Thursday, Dec. 8, under the auspices of the Charles Edwards Post of the American Legion, are being sold so rapidly that a second performance may be necessary, it was announced yesterday by Russell Williams, chairman of the committee in charge.

In the event the demand for tickets for a single performance cannot be met, the show will be repeated the following night, Friday, Dec. 9, Mr. Williams said.

The show, with a complete out-of-town cast, will be produced under the direction of Joseph Anquetil, veteran Detroit showman. Ten per cent of the net proceeds will go to the Central Welfare Council, and the remainder will be used for the purchase of instruments and uniforms for the Drum and Bugle Corps.

Tickets are on sale by all members of the Charles Edwards Post.

Church each Sunday at 10:30 A. M. Wednesday at 8 P. M.

Sunday School, 10:30 A. M.

Reading room in the church building is open from 10:30 A. M. until 4:30 P. M. daily except Sundays and holidays. It is also open on Wednesdays before and after the service.

Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced" was the subject of the lesson-sermon in all Christian Science Churches throughout the world on Sunday, Nov. 27.

Among the Bible citations was this passage (Matt. 7:21): "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven."

Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following (p. 206): "Will-power is capable of all evil. It can never heal the sick, for it is the prayer of the unrighteous; while the exercise of the sentiment—hope, faith, love—is the prayer of the righteous. This prayer, governed by Science instead of the senses, heals the sick."
