Score Third Straight Victory With Unexpected Ease, 29 to 9

The test which had been expected to await Coach Whitney's Maroons and White eagles at Rochester Friday failed to materialize, and Baldwin again emerged on the long end of a 29 to 9 count. Led by Tyrell and Bunyan, the Birmingham offense piled up a 16 to 1 lead at the half, which alone was all that was necessary to carry the Maples to their third straight victory of the season. The game had hardly begun when Forester sank a dog-choke.

Mr. Toothacker's expenses will be paid by the Board, as in the past, the resolution provided.

Recherster Stages Spurt

At the start of the second half, Rochester went on a scoring spree, netting six of the seven points on two field goals by Tyrell and three throws by Tyrell and LaBarre. This jolted the Maroons out of their temporary somnolence, and they quickly countered with a brace of field goals by Forester and Bunyan, and abury shot by McKee, who had replaced Hunt when the second half was a few minutes old.
