

85,000 EMPLOYED ON '33 CHEVROLET Production of New Models Calls for Complete Normal Working Force

With the announcement of the new Chevrolet 1933 models, there was no need for employment for more than 12,000 workers in the plants and assembly of the Chevrolet Motor Company, according to W. S. Kirkham, president and general manager.

The number represents a complete normal working force. Mr. Kirkham explained that about 20,000 are on the Chevrolet payroll in the company's 20 domestic plants.

Mr. Kirkham said that assembly of 100,000 cars had gotten under way in November and early December and that all eight plants are now fully staffed and turning out the new line in gradually increasing volume.

BLAZE DAMAGES ROOF A defective chimney was blamed for fire which broke Friday morning on the roof of the home of Joseph Hettler, 505 Townsend street. Damage was estimated at \$2,000. Two years for \$150.

WE HEARD IT SAID BY— Thomas D. Lynch, 111 Frank street: "I believe the new parking system on Woodward is difficult to park in favor among those less skillful drivers who orient themselves by the old-fashioned places outside the city because they found it difficult to park here."

Obituary

CHARLES RIGDEN, JR. Services were held at the Kimball-Halley Funeral Home Tuesday for Charles Rigden, Jr., 18-month-old child of Mr. and Mrs. Charles Rigden, 1011 Hampshire street, who died in Cuyahoga Hospital Monday morning of a complication of scarlet fever, measles and mumps.

MAUD S. CAMP Maud Stanley Camp, who was born in Birmingham 58 years ago and had lived all her life here, died Monday morning at her home, 312 East Chestnut street. She was 68 years old and had been an invalid since the age of seven, and a failing health for the past three years.

Miss Camp was born in Cuyahoga at the corner of Woodward avenue and Brown street, where she lived until four years ago. She is survived by a sister, Nelle Camp, at home.

Funeral services were held from the residence at 2 P. M. Wednesday with burial in Greenwood Cemetery. Rev. Russell De Hopkins, pastor of the First Methodist Episcopal Church, officiated.

basements, but put them outside of the house. Let the home, church, school or store be warm but watch out for overheated stoves and pipes.

Allen Withdraws Water Deposit Bill Further attempts of the Village Commission to eliminate the long-paid water bills were abandoned, at least temporarily, Monday night when Village President Harry Allen withdrew an ordinance amendment introduced two weeks before which would have required tenants of houses owned by other persons to deposit \$5 before their water meter would be turned on.

The purpose of the deposit would have been to protect the village for loss from tenants moving away and leaving unpaid water bills. Mr. Allen withdrew the proposed amendment after Village Manager James W. Parry had expressed his objection that it would entail considerable additional bookkeeping effort, since it would require a strict differentiation of tenants and home-owners.

The same problem has been considered annually by the Commission for the past five years, Mr. Parry said, but no satisfactory solution has ever been found.

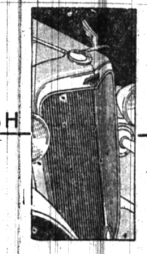

Thomas Wilson Dorr, American politician was famous as the leader of "Dorr's Rebellion" in Rhode Island.

WE HEARD IT SAID BY— Earl G. Potter, secretary, Birmingham Board of Education: "The chief purpose of the public school is to instill in boys and girls with confidence in their own ability."

SPARKS FIRE ROOF Sparks from the chimney at the home of Mrs. Elizabeth Lamb, 776 Hazel street, Thursday afternoon set fire to the roof, causing about \$5 damage before it could be extinguished by firemen.

The Electric maintains three telephone numbers: 13, 12, and 13. A courteous switchboard operator will answer your call, whether it be for the placing of a new item or an advertisement, or information on your printing needs.

THE LEADER CAN ACCOMPLISH WHAT OTHERS DARE NOT TRY

CHEVROLET PRESENTS A NEW SIX

Longer • Larger • Faster • Smoother • New in Styling • More Economical • And Featuring Fisher No-Draft Ventilation

THIS is Chevrolet Week throughout America. And the new car that millions have been watching and waiting for—the latest product of the world's leading builder of automobiles—is now on display: the New Chevrolet Six—at a new scale of low prices. Front, side, rear—inside, outside—everything about this new car is advanced, improved, exciting. Longer wheelbase makes it the biggest automobile in today's low price field. The latest principle of car design, "Aer-Stream" styling, gives it a totally different, ultra-modern appearance. The New Fisher bodies are larger, wider—fauntlessly streamlined—swing lower to the road—and offer the first basic improvement in travel comfort in over ten years: Fisher No-Draft Ventilation. Chevrolet performance in every gear is faster, flashier, more brilliant. The time-proved six-cylinder

engine is more powerful as well as more economical. Improved Free Wheeling is combined with a "silent second" Synco-Mesh gear-shift. Chevrolet engineers have developed a remarkable new invention that wins a complete victory over vibration: The Cushion-Balanced Engine Mounting. And as far as prices are concerned, several models now sell at the lowest figures in Chevrolet history. Chevrolet is able to do all this because Chevrolet has the advantage of being the world's largest builder of cars for 4 out of the past 6 years. Chevrolet builds cars in greater volume—buys materials in greater quantities—does everything on a bigger, more economical scale. Hence, Chevrolet is in a position to provide a better car at a better price than could possibly issue from any other source. The leader can accomplish what others dare not try!
