

# Hazel Park Defeats Balmucio Fray

## MAPLES LOSE IN OVERTIME

### SWIMMERS WIN LAURELS IN DUAL TANK MEET

**Poor Showing in Free Throws Gives Hazel Park 27-25 Win**

Baldwin High School's cagers lost an overtime struggle to Hazel Park Saturday evening at Hazel Park, 27 to 25. At the end of the regular playing time the score was tied at 24 all. Two "round robin" free-throws decided the game in favor of the Park quintet.

McBride and McDonough led the Maple scorers with six points apiece. Parrish, Park center, headed both scoring lists with eight.

Each squad counted nine points in the first period, but Baldwin definitely took the lead in the second after a determined drive

### BARNUM CAGERS STAY IN FRONT

**Hold Junior High League Lead By Swamping Baldwin, 20 to 4**

Barnum	W	L	Pct.
Barnum	4	0	1.000
Adams	2	2	.500
Baldwin	0	4	.000

Barnum cagers retained their lead in the junior high league when they defeated the Baldwin squad on the Barnum court last Friday, 20 to 4.

The stronger Barnum team took the lead at the opening of the game and had little difficulty in keeping it throughout the entire contest. No scores were made by the Baldwin squad until the last quarter.

One thing that has been settled quite definitely in the last few months is that the Unknown Soldier isn't Smedley Butler.—Detroit News.

### CRANBROOK '5' AGAIN LOSES

**Detroit City College Freshmen Chalk Up Second Victory, 28-20**

The Cranbrook School basketball quintet was again trounced by the faster and more experienced five of the Detroit City College Freshmen, last Friday afternoon in the Cranbrook gym, by a score of 28 to 20.

The Blue and Gray, though outclassed, seemed to show considerable improvement since their last contest with the Freshmen, and the game was far from a walk-away.

The second half opened with the Fresh substitutes filling most of the positions, and a slowing up of the Cranbrook team gave them the opportunity to draw a two-point lead, which was followed by three, but never overcome.

In the fourth chapter a still greater loosening of the Blue and Gray defense let Wartell and Black score 10 points, and half the game on for city college.

### ADAMS STUDENTS CHOOSE OFFICERS

**Advisors Also Named By Five Junior High School Classes**

Classes at Adams Junior High School have selected officers for the coming semester, following a meeting Monday night.

9B—Bud Herbst, president; Mrs. Alvena Beals and Donald Joy, advisors.

8A—James Holab, president; Charles James, vice-president; Shirley Miller, secretary-treasurer; Miss Gladys Rogers and Myrlinn Smiley, advisors.

### John Martz May Represent Board On Capital Trip

John E. Martz, treasurer of the Board of Education, was tentatively selected by fellow Board members Monday night to represent them on the annual trip to Washington with the Baldwin High School Washington Group this spring.

Every year, one member of the Board and his wife are selected to take the trip, expenses paid by the Board. One faculty member also accompanies them at the expense of the club itself.

### ADAMS PLAY MARKS WASHINGTON'S BIRTH

Eight grade students of Adams Junior High School will present a short play, entitled "In the Hearts of His Countrymen," as the feature of an assembly they are sponsoring at the school tomorrow afternoon. The play is based around the life of George Washington and is being given to celebrate the 200th anniversary of his birth.

Those who will take part in the play are Winston Cox, Marjorie Baldwin, Otto Milder, Charles James, James Holab, Don Heller, Ruth Asper, Hilda Brown, Betty Thomas, Robert Filken, Margaret Lynd, Louise Cobb, Jean Sewell and Donald Gould.

**A Little Chat About Your Health**

**Pasteur, Lazear, Banting—**  
**Who are these men?**

Are you familiar with the achievements of these men who studied and slaved that we might enjoy a life free from many of the dangers of yesterday?

It was Pasteur who revealed the origin of diphtheria and lock-jaw and who showed how they could be prevented.

Lazear pointed out the cause of yellow fever and sounded the death knell of that great scourge and comparatively recently Banting gave to mankind Insulin which is saving hundreds of lives which would otherwise be sacrificed to diabetes.

When physicians have at their command so much knowledge—so many certain ways of combating illness—why will people continue to waste time in attempting to diagnose and treat their own ills?

Go to your physician whenever illness threatens. Brings us your prescriptions.

### PORT HURON PLAYS BALDWIN FRIDAY

A strong Port Huron five will come to Birmingham tomorrow night to lock horns with the Maroon and White basketballers. Port Huron has lost only one engagement so far this season, and that by the Southeastern League leader, by one point in a round robin after playing a tie game.

Baldwin, in third place with Pontiac and Royal Oak, will be fighting to retain its standing. The preliminary will begin at 7:30 o'clock.

### SICKNESS HAMPERS B. H. S. ACTIVITIES

Most activities have been paralyzed during the past week at Baldwin High School due to a general seize of colds, la grippe, and other minor sicknesses. Washington Group meetings have been cancelled and swimming meet with University of Michigan High School, scheduled for last Thursday, was postponed because of the illnesses.

More than 25 percent of the students have missed classes this week, according to W. S. Searwood, instructor in charge of the senior session room and attendance.

**MR. MERCHANT—**  
**Let LIGHT**  
**increase your sales!**

**WHEN** business is poor, the merchant—be his store large or small—must use every possible means to increase sales. One of the very best ways of attracting customers into your store (and one of the most inexpensive) is through the use of BRIGHT WINDOWS. This is no mere theory: It is supported by dollars-and-cents facts.

Countless actual tests in many stores have proved beyond all doubt that bright store lighting PAYS: Sales have been definitely increased and the amount of returned goods reduced, simply by varying lighting intensity.

**EXAMPLE:** A small department store alternated the intensity of its illumination during a test: one day 5-foot candles, the next day 15-foot candles, and so on. RESULTS with 15-foot candles: (1) **12 Per Cent** more buyers and (2) **29 Per Cent** increase in dollar volume of goods sold.

*Without charge, our lighting engineers will gladly measure your lighting, inspect your equipment, and make suitable recommendations. Call the nearest Detroit Edison Office.*

**THE DETROIT EDISON COMPANY**
