Those who will take part in the specialty numbers are Virginia Busch, Earle Wilson, Annabelle Dahlquist, Christina Van de Duijn, Joyce Standing, Shirley Fleming, Phyllis Porter, Phyllis Fleming, Wilma Ward, Lorraine Elliot, Betty Lavy, Jane Snyder, Mary Wibel and Franklin Philips.

BARNUM DEFEATS GROSE POINTE '5'

Junior Cage Team Remains Undefeated With 16-9 Win Over Visitors

Barnum Junior High School cagers remained undefeated when they trimmed the Maize and Blue team from Grosse Pointe, 16 to 9, on the Barnum floor Friday.

Both teams played exactly the same type of basketball throughout the game, each using the man-to-man defense and each at times resorting to the figure eight offense.

The memory of a terrific beating suffered at the hands of the Grosse Pointe team last year spurred the Barnum squad to its best efforts.

BERKLEY TOPS CRANBROOK

Hills Team, Still In Slump, Trails All The Way In Ragged Tilt

The Cranbrook basketball team was still in a definite slump when it lost to Berkley High School, 21 to 11, in the Cranbrook gym Tuesday.

The ragged Berkley team, outplaying a still more ragged Cranbrook five piled up a lead of seven points in the first period, which was never challenged. Wright opened the scoring for Berkley in the first three minutes of play. The period ended with the count 10 to 3.

In the second stanza, Haas, starting for the first time in the Cranbrook lineup this season, played creditably, but the backboard entirely. Nevertheless, the Blue and Gray form improved, and Cranbrook scored eight points to Berkley's five, leaving the score 15 to 11.

The improvement soon showed itself temporary, however, and Berkley scored six points in the final quarter, finishing the game 21 to 11.

Beaudette started the third quarter with several notably bad shots, but clearly good backboard entirely. Nevertheless, the Blue and Gray form improved, and Cranbrook scored eight points to Berkley's five, leaving the score 15 to 11.

CRANBROOK QUINT WEAK IN DEFEAT

Hit Poor Stride As Detroit City College Yearlings Win, 34 to 11

The Cranbrook basketball quintet suffered a sharp letdown in their game with the Detroit City College Freshmen in the Cranbrook gym last Friday, and were defeated, 34 to 11. An impartial observer would not have recognized the Blue and Gray team as the same which excelled in the game against D. U. S. the previous week. The passing was weak and the shooting inaccurate.

The Freshmen brought with them an aggression which was small, fast and tricky, and which apparently had had plenty of experience on the court. One of the features of the game was the passing and feinting of the City College captain, Fitzgerald.

Rapidly he feinted and passed, rapidly and accurately to a team-mate at the opposite end of the floor while looking in an entirely different direction. Many of these plays had field goals as their direct results. Whitley, of City College, was high scorer, with three field goals and three free throws for a total of nine points.

A Little Chat About Your Health TRAVELING IN A CIRCLE

IN HIS BOOK "Roughing It," Mark Twain tells of being lost in a storm and—without knowing it—of traveling for hours in a circle and finally learning that all the while he had been but a very short distance from camp and friends.

People who rely on self diagnosis and self medication also very often travel in circles in that they make no headway until their course is properly directed by a physician.

You can best travel the road to health when your doctor acts as your guide.
