QUEER CRASH UPSETS TRUCK

Driver, Pinned in Cab, Is Unhurt; 2 Women Slightly Injured

Three persons miraculously escaped serious injury last Thursday afternoon in a peculiar accident at the corner of Bates and Brown streets when a light sedan collided with an oil truck filled with gasoline and kerosene, upsetting the truck and causing the sedan to crash into a tree.

Mrs. Emma Lutton, 36 Franklin boulevard, Pontiac, a passenger in the sedan which sustained several lacerations about the head and face, while Miss Carolyn Quyle, the driver, of the same address, escaped with a sprained ankle.

Although the truck was turned completely over on its side, pinning the driver, William J. Clements, 763 Ann Street, Birmingham, in his cab and forcing him to crawl out from underneath the vehicle, he was unscathed.

The accident occurred when Miss Quyle, driving north on Bates street, collided with the rear end of the truck as it was going west on Brown street. The impact swung the truck around until it faced in the opposite direction before upsetting. Miss Quyle's car continued head-on into the curb and into a tree at the northwest corner of the intersection. Both sedan and truck were badly damaged.

The crash which occurred shortly before 4 P. M., attracted scores of onlookers, including several homebound school children. The injured women were treated by Dr. O. O. Beck and later removed to their home.

Executive Post In New York Goes To A Former Villager

Verne E. Burnett, formerly a well-known resident of Birmingham, has been elected vice-president of the General Foods Corporation of New York, according to a recent announcement of that company.

Mr. Burnett joined General Foods as assistant to the executive vice-president early in 1930, immediately after leaving Birmingham with his family. They resided on Brookside road.

While here, Mr. Burnett was identified in executive capacities with the automobile industry in Detroit. In 1922 he became advertising manager of the Cadillac Motor Car Company, and three years later accepted the secretaryship of General Motors Advertiser Committee.

TUGGEY FINES BUT 3 OFFENDERS IN MONTH

Only three defendants were fined by Justice Arthur J. Tuggey in December for violations of village ordinances, according to his report. Two of the defendants were charged with speeding, and the third with being drunk. They paid fines amounting to \$31.20, and costs of \$13.80.

The pocket gopher has such an anti-social nature that often when its burrow intersects a neighbor's it plugs the opening with earth.

Rector Sees Depression As Boon To Happiness

Forsyth Is Speaker As Fellowship Club Installs Officers

"There is more genuine happiness in Birmingham today, or within the limits of any city or village, than there ever was before the days of economic adversity," declared Rev. Warner L. Forsyth, rector of St. James Episcopal Church, in an address on "Happiness" delivered before the Birmingham Fellowship Club in the Embury Methodist Church last Friday night.

The occasion was the annual installation of the club's officers, which was preceded by a banquet and followed by a program of music and entertainment. Arthur J. Kane was installed president for the third successive year. Other officers are as follows:

W. A. Gibbons, vice-president; Lloyd Crouse, secretary; Carol Campbell, treasurer; Elmer Hourcade, recording secretary; and Jack Hayman, auditor. Edgar S. Reid of Berkeley was the installing officer while Don Jordan acted as toastmaster for the banquet.

Fewer Divorces Now

In his address, Mr. Forsyth characterized the depression as a boon to man in that it will serve to show him the way to a more accurate appreciation of the real values of life, and will eventually lead him to a more solid happiness than he has ever known before.

"Happiness and sorrow go hand in hand," Mr. Forsyth said. "I think the salvation of this nation is the thing we're going through today. The momentum of coming down the depths of sorrow will bring us up on the crest of happiness rejoicing."

In illustration of his contention that "suffering and anxiety bring people together," the speaker declared that during the first month of the depression, from Sept. 1, 1929 to Jan. 1, 1930, more persons than in any other period of the depression, than in the previous 12 years, but that from June 1, 1930 until now, fewer persons

FORMER VILLAGER RETURNS TO SPEAK

Dr. Nelson V. Russell To Give Address Here On Russian Church Fall

Dr. Nelson Vance Russell, professor of history at Coe College, Cedar Rapids, Ia., and a former resident of Birmingham, will give an address on "The Fall of the Russian Church" at next Sunday evening's service in the First Presbyterian Church.

Dr. Russell was born in Southfield and was graduated from Baldwin High School here in 1913. Later he was graduated from the University of Michigan where he also received his M. A. and Ph. D. degrees. He taught history four years at Ann Arbor, and four at the University of California before being called to his present post at Coe.

At present, Dr. Russell is spending six weeks in the United States between periods of research in the British Museum. Last fall he visited Russia with the Sherwood Edy party, having an unusual opportunity to examine conditions at first hand.

His research in London is on a Lloyd Fellowship, awarded by the University of Michigan each year to two promising leaders in the educational field. It provides a sufficient sum for a year of research in some specific field.

The week following his appearance in Birmingham, Dr. Russell is scheduled to speak in Albany, N. Y., and at the church of Henry Ward Beecher in New York City. Shortly afterwards he will return to Scotland to lecture in Edinburgh and to continue his work at the British Museum.

DRIVER INJURED AS PHEASANT HITS CAR

A pheasant which flew into the path of an oncoming automobile, crashing against and shattering the windshield, resulted in the driver, Robert R. Phel, 60 Douglas street, Pontiac, receiving several slight cuts about the head and face as he was driving south on Telegraph road near West Maple road early Sunday evening.

The impact was so great that the flying piece of glass from the windshield also broke the rear window in Phel's coupe. The pheasant was killed by the blow.

usual opportunity to examine conditions at first hand.

His research in London is on a Lloyd Fellowship, awarded by the University of Michigan each year to two promising leaders in the educational field. It provides a sufficient sum for a year of research in some specific field.

DeMolay To Sponsor Benefit Show Jan. 21

A benefit vaudeville and moving picture entertainment, sponsored by Hassberger Chapter, Order of DeMolay, will be presented at the Birmingham Theater next Thursday evening, Jan. 21.

The vaudeville bill, which will be given only one showing, beginning at 9 P. M., will be headed by Tracy and Duncan, radio entertainers. Other acts will include a six-piece orchestra, tap dancing, accordion and violin numbers. A. Shanley Ross, local organist, will also appear.

The movie feature will be "Flying High," with Bert Lahr and Charlotte Greenwood. Tickets may be secured from members of the chapter, which will use the proceeds to defray chapter expenses.

COUNTY LICENSES TOWNSHIP DOGS

Although residents of Birmingham must secure licenses for their dogs from the village clerk this year, Bloomfield Township residents of nearby Birmingham are still obliged to purchase county licenses, it was announced yesterday by Mrs. R. Margaret Plun-dead, township treasurer, who is distributing the licenses from her office in the Municipal Building. County licenses are available at the same cost as those sold by the village—\$2 for male dogs and \$4 for females—and are valid for one year.

CRASH INVOLVES POLICE HEAD'S CAR

Girl Injured When Auto Rams Chief Putnam's Stalled Machine

Miss Doris MacDiarmid, 17 years old, daughter of Mr. and Mrs. Alex A. MacDiarmid of Long Lake road, was painfully though not seriously injured when a car, driven by her brother, Alex MacDiarmid, Jr., crashed into another, driven by Chief William Putnam of the Bloomfield Hills police department, which had stalled on the east side of Woodward avenue near the Fox and Hounds Inn shortly after midnight Sunday morning.

Chief Putnam said his car stalled as he was driving north and was just about to turn to the left onto a cross-over into the west traffic lane. Unable to start it, he got out to seek aid, and seeing a car coming north in the path of the stalled machine, made an attempt to hale the driver to stop.

MacDiarmid claims the chief, in standing in the road, blocked the only passageway by which he might have avoided crashing into the stalled machine, but Putnam believes the icy condition of the pavement made it impossible for the driver to stop.

Miss MacDiarmid suffered the loss of four teeth and received a deep laceration of the lip. She was removed to St. Joseph Mercy Hospital, Pontiac, from where she has since been removed to her home and is recovering rapidly.

Nelson, Lewis To Argue Prohibition At Meeting Here

Both defenders and opponents of the present prohibition law will be interested in listening to a debate to be held Monday night, Jan. 25, at the Community House, when two prominent Detroiters will discuss the question before the People's Open Forum.

Such is the premise of W. J. Norton, chairman of the Forum, who this week announced as speakers William C. Lewis, secretary of the Detroit branch of the Crusaders, national prohibition repeal organization, who will take the wet side, and Walter Nelson, president of the Detroit branch of the Civil Liberties Bureau, who will defend the dries.

The debate, Mr. Norton believes, will attract a large attendance when it begins at 8 o'clock, in the Mary Griffith lounge of the Community House. The meeting is free to the public.

In the South, Bermuda grass is valuable to stop the washing of gullies and to bind levees and other embankments.

Briarbank Properties

SOLD BY

SNYDER & BUCK

It is with great pleasure we announce our appointment as General Sales Managers of this beautiful Bloomfield development of Mr. William Teft Barbour—an honor we immediately acknowledged by the sale of another lovely site overlooking Briarbank Lake.

Situated on Long Lake Road, facing the Bloomfield Hills Country Club, with Cranbrook on the south, the appeal of this attractive rolling property can best be told by the fact that already four substantial homes are there, with a dozen more sites sold for improvements in the near future.
