## When Citizens Are Helpful

When Citizens Are Helpful
Tucked away on page one of part two of last week's
Eccentric was a brief. We Heard It Said Bytroop to the page of the page of the page of the page
two on on the subject of citizen-aid in welfare week.
Here is in excellent example of what in alert, helpful
citizenty can accomplish, and the name of humanity.
The Eccentric is grateful to publish again Mr.
Vaushan's own expressed gratitude, at he said: "I
would like to take this doppertunity to thank the many
clubst and organizations in Birmingham which coopercted with the township last winter and spring in
caring for indigent families of the community. I
hive to figured out exactly the value of their aid
aid highport, but I know is a said of the community.

In the of money, and it won for Birmingham the requiration of being the most co-operative community
in Okland County."

### Back And Forth

BACK AND FORTH
From one extreme to another, with scarcely any attainment of a secure and economical middle ground, society awing, its social, political, and business activities. In procedure the cry is "Spend! Spend! by spending you get more to spend!" Ind panie of depression times the alarm sounds "Swe! Save! by saving you bring back prosperity!" And then there follows the hybrid yode! "Save some and spend some, by savingly spending you bring back good times!" Feast anid-famine, heat and cold, light and dark, trust and fear—too much of life is a contrast because GREED & SELFISHNESS, Inc., operate human affairs,

THE CHICAGO TRIBUNE last week almost cried about the paternalism of the federal government. It is subbed because it seems that the politician down in Washington keep adding extra tax burdens on business and incomes. We agree with the Tribune that Congren is hypocritical in it attitude toward national economic re-adjustment—but we would remained the Tribune that it (won city needs to have some weeping and wailing done over its own and financial piles.
