

# VICTORY PUTS TIGERS SECOND

Bennett, Pass Fintex In Commercial Loop; 4 Teams In Playoffs

The Tigers stepped up into the second position in second place of the commercial loop of the M. C. A. softball league this week by winning over Fintex last week. Last week the latter team was threatening the Midgets, but now the Bengals are nearest the league leaders.

The majority of the week's games resulted in similar upsets. Fintex's victory over Fintex, Franklin over Vogte, and South End over Fellowship were all more or less unexpected.

The teams' Midgets, Tigers, Fintex and Fellowship, have since positions in the playoffs. Vogte and Franklin are hovering near the 100 line and still have a chance. The play-offs will be held in the close of the scheduled season games to decide the division champs.

With End 8, Fellowship 5

A decided surprise came Monday when the South End team defeated the Tigers in the second inning of its

and also led his team at bat. Lawson also played well as third for the same team.

Allison and Frederick scored the Mulholland tallies.

Holy Name 3 0 0 0 1 0 1  
Mulholland 0 0 1 1 0 0 0  
Batteries: Holy Name, Powers, Eastern Michigan catcher, singled, stole second and third, and scored on Stube's hit.  
A weak spot in the infield was Wilson's chief cause of defeat.

Wilkinson did a good bit of work on the mound for the winners, while Powers and Davis were best at the plate, the two being direct-ly responsible for five runs. The

Colorado has spent the great watershed of the continent, and as except Wyoming, the most elevated state of the Union.

Mr. McGaughey

Henry T. McGaughey this week announced his candidacy for Registrar of Deeds.

Mr. McGaughey is registered civil engineer, member of the firm of McGaughey and Hanon, civil and consulting engineers, and has been in the business since 1919. He was born in Bay City and received his education in the public schools there, at Michigan State College, and at the University of Michigan.

For the past several years he has practiced as a civil engineer and government work. He was employed by the U. S. Geological Survey, Pennsylvania State Highway Department and Michigan State Department of Public Works during the war.

During the war he was with the U. S. War Relocation Authority as engineer of docks in charge of construction of docks at the U. S. War Relocation Authority, Charleston, S. C.

In announcing his candidacy Mr. McGaughey said he is an engineer and a surveyor has possessed a constant of the records and is the only one in preparing and describing from surveys, his knowledge of surveying and the U. S. Surveying Society.

My business is an engineering and surveying has possessed a constant of the records and is the only one in preparing and describing from surveys, his knowledge of surveying and the U. S. Surveying Society.

Mr. McGaughey is a member and trustee of the First Presbyterian Church, a member of the Baptist Church, No. 21, E. 4th St., and a member of the Michigan Engineering Society.
