

SOCIETY IN BIRMINGHAM AND THE HILLS

Reckless Drivers Did Eight Miles An Hour Back In 1906

Even way back in 1906, Birmingham Runa Committee, was authorized to make plans and effect prizes for the "run" had to be postponed because of reckless motorists in racing through the village at the breath-taking speed of eight miles an hour, killing drivers and risking the lives of inhabitants.

Speeders became such a menace on village roads that it forced them to write the Detroit Automobile Club then at Pine Lake, asking its cooperation in enforcing the law to make motorists throttle their kickers and reduce the eight-mile regulation.

This interesting bit of history has been unearthed by members of the Birmingham Country Club, who discovered it recently in old records. This year is the 50th anniversary of the club, which began earlier June 23, 1902, by the Detroit Automobile Club.

As a fitting celebration the club plans to observe the month of July in honor of its 50th birthday, and a program continuing from June 26 through Monday. The next big Red Letter day for the club will be July 4, when the annual water carnival will be held at the club's championship tournament place.

The history of Pine Lake Country Club is an example of the progress that have taken place in the comparative short space of years.

For instance, one of the projects sponsored by the then Detroit Automobile Club in 1906 was a 10-mile race from Detroit to the clubhouse at Pine Lake, the home of Pleasant, Saline, Ann Arbor, South Lyon, New Hudson, Farmington and Orchard Lake.

For this great event, the tour-

Family Gathers For Annual Reunion At Township Park

Mr. and Mrs. Edson Hallcock of Pontiac were in charge of the Hallcock family reunion which took place at Bloomfield Township Park Saturday. The meeting was attended by 22 members of the family.

Following a pot-luck dinner, an informal program was presented by talented members, with presentations made by the Hallcock family or orchestra.

A quartet composed of Clark Edison, Raymond R. Remond, Mr. and Mrs. John C. Smith, all members of the family, sang.

Golf was a much later development, as the club continued to function as an organization for motor sports.

Following the automobile had become an established and dependable mode of transportation.

In 1917 the first seven holes were constructed, followed by two more holes two years later. It was not until July 4, 1924, that the 18-hole course was completed and opened for play.

Since that time improvements have improved the site, the most recent of which was the purchase of the original land in 1931 which enabled the club to lengthen the course.

It is interesting to note that among the founders of the organization were names which are conspicuously in Michigan political, professional and industrial history.

There were, for instance, Russell Duffield, Bert J. Joy, George E. Metzger, Dexter M. Ferry, Charles A. Decharme, W. W. McMillan, John McDonald, Anna Armer, F. O. Page, W. J. Burtemash, P. M. and W. E. McMillan.

Of these, Mr. Ferry and Mr. Metzger are still members.

It was over 20 Metzger automobile show rooms that the members met in the early days, and the club moved to the country near Birmingham. Later, in 1905, a clubhouse was built at Pine Lake.

It was largely due to the efforts of Mr. D. J. L. Hartman, E. S. Hammond and Robert L. Vining that the club changed its policy.

Mr. Hammond was president and Mr. Hartman, secretary, when the club dissolved.

Vinton was president when the name was changed to the Pine Lake Country Club in 1921.

A new swimming, tennis and other sports were added to golf, so that the tastes of all members for various athletic activities might be satisfied. Now the club is a member of the Amateur Athletic Union, under whose approval it conducts swimming and diving contests.

Mr. and Mrs. Charles Hallcock of Ann street, their son, Clark, and Mrs. Olive Hirtz of Pleasant Ridge, spent the Fourth of July and weekend at the Hallcock summer home at Pine Lake.

Mr. and Mrs. Hallcock and Mrs. Hirtz will spend next weekend at Lake Pheasant, leaving from there for Traverse City to meet their daughter, Miss Dena Hallcock, who will return with her parents.

Miss Clara Parks of Denver, Colo., is making an extended visit to Birmingham as the guest of Miss Anna Parks of Brown street.

Mr. and Mrs. Albert Lipka of Hattenfield, Ill., and their daughters, the Misses Catherine and Dorothy, and Mrs. Louise, are spending two weeks at the guest of Mrs. Frank Correll of Smith avenue. The Lipka family were former residents of Birmingham.

Mr. and Mrs. Daniel Swartz of Forest street attended the Stachida family reunion the Fourth of July, which was held at Unionville, on the farm of J. H. Kemp. About 75 members of the family attended.

Mr. and Mrs. D. W. Symons of Brownstreet, and their son, Lloyd Pontiac, attended the Stachida family reunion last week-end at Wild Fox Bay near Bay Port.

Mr. and Mrs. Daniel Swartz of Forest street attended the Stachida family reunion the Fourth of July, which was held at Unionville, on the farm of J. H. Kemp. About 75 members of the family attended.

Mr. and Mrs. F. G. Crawford of East Maple avenue spent the weekend as the guests of Mr. and Mrs. T. S. Smith, their summer home at Pine Lake.

On the Fourth, Mr. and Mrs. Smith entertained at the tennis club during the afternoon, and were guests at the evening at a birth-

Edward and Bill Lereh, sons of Mr. and Mrs. W. G. Lereh, of West Long Lake road, are at Camp Charlevoix, where they will spend eight weeks. Mr. Lereh is the president of a birth-
