Yeas, 4; Nays, 0.

Motion made by Correll and supported by Buck that the following report be adopted:

To the Bloomfield Park man of the trees are sloped strongly to the front. Then the South of the ponds, probably the 4th, is especially bad. We recommend that the surface of all be gone over and leveled and the proper pitch be given.

Some of the traps lack sand. We recommend that sufficient sand and gravel be added where necessary. The most of added traps are too steep in places. These may have to be checked and corrected.

Dandelions are a menace to a good lawn in places. We recommend that Sulphate of Iron treatment be tried for their eradication.

The Creek banks are abrupt in places. It is believed that these be sloped as time and finance will allow.

The newer trees should be dug around and enriched.

Yeas, 4; Nays, 0.

Motion made by Correll and supported by Buck that the sheds at the Gravel Pit are objectional and that this matter be referred to the Board of Public Works Commissioners with power to act.

Yeas, 4; Nays, 0.

Motion made by Buck and supported by Vaughan that the Bloomfield Township Board of Review sit for an adjustion in regard to licensing hucksters on the State, County and Township roads.

Yeas, 4; Nays, 0.

4 HOMES ENTERED BY THIEVES HERE

Cash, Jewelry, Clothing Taken In Series Of Petty Burglaries

Four different home-owners reported to police Friday and Saturday that their homes had been entered and small amounts of cash, jewelry and clothing stolen.

Mrs. Alexander Gellatly, 911 Chester street, reported Saturday morning that $4 in cash was stolen from a purse by a thief who entered through the rear door some time Friday night. The purse was discovered the next morning in a closed side in a neighbor's garden.

This is the second time the home has been entered in the past year, Mrs. Gellatly said. She said she suspected young boys familiar with the neighborhood.

John B. Taylor, 988 Madison avenue, reported the theft of a gold Hamilton watch. He was unable to say exactly when the watch had been taken.

A dress valued at $3 and a hat pin treasured as an heirloom were stolen from the home of Mrs. Sabra Littleton, 723 Pierce street, Friday night. Entrance was gained through a side door.

A light suit and overcoat taken from a chair over which they had been hanging in the home of C. J. Faist, 611 Wallace street, some time between midnight and 6 a. m. Saturday, were discovered later on a lawn seat in a neighbor's yard, where they had apparently been thrown after the thief had searched the pockets to no avail.

Township Moves To Bar Road Hucksters

Floyd Blakeslee, Bloomfield Township attorney, was formally instructed by members of the Township Board Monday evening to draft a resolution prohibiting itinerant vendors from peddling their wares on the highways.

"There is nothing in the statute to cover this matter for the Lower Peninsula," Mr. Blakeslee explained, "but the Township Board would be within its rights to force itinerant vendors to pay licenses or to prohibit them from selling along the roads."

This action, discussed at a previous Board meeting, was taken as a safety measure to prevent traffic congestion caused by the parking of cars by those stopping to make purchases from vendors.

"My wife has been nursing a grouch for several days."

Ok, I didn't know you'd been laid up."

Crash Brings Fine For Drunk Driving

Elzie Morrison, 36 years old, of Lone Pine road, Bloomfield Hills, was fined $75 by Judge Floyd S. Keech Monday on a charge of drunk driving growing out of an accident on Southfield road late Saturday night in which William Barton, 808 West Lincoln avenue, was injured.

Morrison, driving north, crashed into the rear of a second car, parked at 648 Southfield road, and owned by Walter A. Huffman, 3430 George street, police said.

Barton, who was a passenger in Morrison's car, sustained a broken wrist and lacerations of the head.

WE HEARD IT SAID BY—

MRS. CHARLES J. SHAIN, 819 Pierce street: "I think the free cooking school last week was one of the finest things that has ever taken place in Birmingham."
