FASHION SWIMS IN A PERFECT-FITTING

JANTZEN

—your best
vacation friend

Here is The New
FORMAL

It's exciting no end of comment—
The new Jantzen Formal. It's as
 chic as a Paris gown with its new
 low cut formal back. There's an in-
 visible form-fit tie in the back hem
 that assures a perfect fitting back
 always. It's a one-piece fashion with
 smartly tailored seamless skirt. The
 narrow knitted belt and shoulder
 straps are in contrasting colors. In
 all the newest shades.
