

PLAN SUMMER PLAY SCHOOL

Cranbrook To Open Project For Younger Boys On July 5

A summer play school for younger boys will be inaugurated this year as an annual event at Cranbrook School. It was announced yesterday by G. T. Nickerson, of the Cranbrook faculty, who will be the active director of the play school, working under the official supervision of Dr. W. O. Stevens, headmaster. The school will be open for six weeks from July 5 to Aug. 14.

The object of the school, Mr. Nickerson explained, is to provide a place for recreation under proper supervision and coaching in swimming, baseball, track events, tennis, canoeing and other outdoor sports.

It will have the use of the entire athletic equipment of Cranbrook School, including 12 tennis courts, a gymnasium, 25 canoes, a rustic cabin and athletic fields for every sport. The open air swimming pool on the estate of George G. Booth will also be available.

The regular daily schedule will run from 9 A. M. to 12 Noon, five days a week. Weather permitting,

WE HEARD IT SAID BY—

Emil G. Dill, tree surgeon: "Short needle-pine trees in this section have been injured recently by one of the worst pests I ever discovered. It is the sawfly, a short green worm which attacks the needles and is capable in large numbers of killing the tree in comparatively short time. Trees infested by the sawfly should be sprayed immediately with arsenic of lead and nicotine."

All work will be carried on out of doors.

"It will be the purpose of the school to teach as well as entertain in all its activities," Mr. Nickerson said. "Health and happiness of the boy will be the first considerations of the school's administration."

The school will be divided into groups of boys according to age and athletic ability, he said, so that no boy will be overworked but will compete against boys of the same size and capabilities.

"Merits will be awarded to boys of each group who successfully pass certain tests or accomplish certain achievements during the season," Mr. Nickerson continued. "This is to encourage the timid as well as the advanced. Boys winning a certain number of merits will be awarded the play school insignia."

A track meet and water carnival with events for all boys will be held at the end of the term.

Choate School Will Graduate Hills Girl

Lucille Wilson Listed in Class Of 25 To Receive Diplomas June 10

Lucille Wilson of Bloomfield Hills will graduate in a class of 25 pupils from Choate School, Brookline, Mass., on Friday, June 10. Choate School is one of the oldest boarding and day schools for girls in the East and its student body has a wide representation throughout the country. Miss Wilson is the daughter of Mr. and Mrs. Charles E. Wilson, Goodhue and Lake Pine roads.

Commencement week festivities will be followed by a luncheon at which Miss Choate will welcome the parents of the graduating class, former students and guests.

Miss Wilson has been prominent in various school activities. She has been on the staff of the school's literary quarterly, "Rivarolo," and a member of the hockey team which has played the leading girls' schools in that section. Miss Wilson expects to enter Smith College next year.

UNDER WATER 26 MINUTES, REVIVED

Tommy Milton, Bloomfield Fireman Aid At Forest Lake—Chief's Rescue

Michael Rouse, 22-year-old chief of Forest Lake Country Club, was his life today to the efforts of Tommy Milton, famous automobile race driver, several officers of the club, sheriff deputies and two members of the Bloomfield Hills fire department who joined him Thursday afternoon at a spectacularly successful effort to rescue Rouse when he was seized with cramps in the club swimming pool.

Rouse was under water for 26 minutes before brought to the surface by Milton, Ernest Tee, Kenneth Martin, William Country Club professional, Frank Spry, Orchard Lake Country Club professional, Al Kierhouse, Parkard Motor Car Company official, Louis Bane, and Martin C. Jones, the latter manager of the Forest Lake Club.

Working in pairs for an hour,

the men kept Rouse alive until Chief Russell Moore and But Bartholomew of the Bloomfield Hills fire department arrive with an insulator. Sheriff's deputies also rushed a pulmonologist to the scene.

Rouse, revived a short time later, was removed to St. Joseph Mercy Hospital.

It is believed to be the only case on record in the county in which a person was revived after being under water for more than 15 minutes.

QUARTET Jailed ON DISORDERLY CHARGES

Four Pontiac men were sentenced to serve 10 days each in the County Jail by Judge Floyd S. Buck Tuesday morning following their arrest by Bloomfield Hills police Saturday night for being drunk and disorderly.

The four, none of whom was able to raise a \$10 fine, were Truman Hall, 604 Alton street, Arthur Hall and George Hoagland, 63 Virginia street, and Howard Schuster, 423 Mechanic street, all of Pontiac.

Two of the men were asleep in their car, and the other two were walking down Woodward avenue when police came upon them, the latter said.
