ALL HONOR TO THE GRADUATE

The business and professional men of Birmingham are proud of the graduating class of 1932!

As each year goes by and another group of fine young men and women leave the shelter of school to enter the ranks of workers and leaders in our land, we all feel a little safer, and a bit more confident because we know that to YOU graduates, we can turn some of OUR responsibilities and tasks for your safekeeping and accomplishment.

The world needs your enthusiasm. It needs your character and courage. It needs those qualities of yours which have not yet been tested but which the world itself has need. When the time comes and you ARE tested, don't fail! Remember that unselfish service to those who have placed confidence in you is worth the ordeal of martyrdom.

Good luck to you! May your house be built upon the foundation of character. May you ever be happy!
