

STEWART GRANTED U. M. SCHOLARSHIP

Graduate Wins Award For Character, Scholarship And Activities

Donald H. Stewart, 19-year-old son of Mr. and Mrs. B. G. Stewart of 647 7th street, and an honor graduate with this month's senior class at Baldwin High School, has been awarded a scholarship to the University of Michigan, consisting of \$100 for one year with the possibility of a renewal the second year. It was learned here yesterday. The scholarship is one of 50 awarded to boys and girls throughout the state who have been found deserving on the basis of character, academic proficiency and prominence in extra-curricular activities. Recommendations are made by

men's and women's alumni clubs in Michigan. Stewart was recommended by the Michigan League group of Birmingham. Officials of the university reported through the Alumni Association that Birmingham applicants were "decidedly outstanding among the entire list of applicants."

During his high school career Stewart was particularly prominent in musical and publications activities and athletics. He was business manager of the March and White, a member of the staff of the Baldwinian, manager and first

The "Christian Science" was the subject of the lead-lesson in all Christian Science churches throughout the world on Monday June 28.
Among the Bible students was the passage (Rev. 14:3): "And I saw another sign in the midst of the heaven, the evangelizing gospel the speech which dwell on the earth, and to every nation, and kindred, and tongue, and people."
Correlative passages read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, included the following (p. 107): "Through the Christian Science and medicine are inspired with a divine nature and the Christian Science are given to faith and understanding, and thereby acquire themselves heavenly with God."
