## THE TIME TO BUY

### Friday and Saturday Are Dollar Days In Birmingham

THE LOCAL MERCHANTS are co-operating in offering specially selected bargains for Birmingham's annual Dollar Days, March 11 and 12.

On last year's Dollar Days the buying public was convinced of the exceptional advantages made possible through the money-saving offerings, as evidenced by the out-pouring of buyers at that time.

Here is presented a display of announcements

which are typical of many more specials in the stores. Other pages of The Eccentric show the advertisements of these merchants. Read them—list your selections—and SHOP EARLY, tomorrow and Saturday!

The articles advertised are priced to bring you great savings and also to urge you to visit the stores so that you may avail yourself not only of the advertised bargains but so that you, at the same time, may make such other purchases as attract your attention.

Items on This Page are for Friday and Saturday Sales Only!
