Getting Married
as usual — even this year

And certainly you will want to give those friends of yours a lovely gift. A trip through LaBelle's will convince you that beautiful, yet practical gifts are the logical choice this year . . . especially when they are so moderately priced.

To be seen here are **Coffee Tables** of walnut or mahogany in pleasing Duncan Phyfe design as low as \$75.00. **Lamps**, different and always acceptable, are \$35.00 to \$350. Stunning **Vases** for flowers are of Italian Glass and Pottery. Refreshment **Trays** are

75c to \$10. Blue and Crystal Glassware that compels immediate admiration . . . stemware wines at \$7.00 a dozen, the plates \$7. And of course there are hosts of other gorgeous, suitable things.

When those friends of yours get married, come take a trip through LaBelle's. You will enjoy the freedom of looking around without being approached by a salesperson . . . and you'll discover, we believe, that this will be the end of your search for just the right gift.
