## Our Municipal Budget-Makers

Our Municipal Budget-Makers

Ever since Village Commissioner E. W. (Cy) Obborne changed his vote on the matter of the village
budget, as adopted last Minday night, interested fargen have the state of the matter of the villagebudget, as adopted last Minday night, interested fargen the matter of the village to the reasons, for from
the matter, containing a lash of \$1.60 m/m.

The property of the property

reas lost.

The Eccentric has observed some of the by-plavector two groups of the present village commison, as the present budget was being prepared. With
unterripting to plead the case of either side we
annot, however, escape joining with that portion to
up opulace who think that personalities are work
g an injustice upon the collective pocketbook of
its icommunity.

ns community.

If every service, both within and without the manning building, is absolutely necessary to consule in the face of a mounting, tax definquency, then this little old depression through which the nord is passing has fairly escaped the attention of cream well meaning, but nevertheless non-frugal who official.

## Brucker's "Prime Minister"

Verne J. Brown, Ingham County newspaper publish and member of the State Legiglature, whose article on the cost of atta government are appearing in the cost of atta government are appearing for concludence are amused as the antics of Government of the control of the control of the cost of the c

Deficited to President, Herbert House when the Dutch ladde stood by the disk wints and family the stood into an ominous leak, the stood of the stood

## Reform Begins With Children

One of the surest ways of insuring an eventual world peace is to arrange a method of teaching boys and guils their nightful place in the world. If you hold is examples for youth those human (darracteristics that are good and true, without malice, another areas areas and true, without malice, another areas areas areas and the sures and the sures are as a sure areas areas and the sures areas areas areas. the conditions that face other nations, made a great stride oward tolerance-cludes cooperation.

The Ferential believes in patriotism across partials.

## Is Chet Howell Changing?

be possible that 'Chet' M Howell, publisher Chestering Argas, and a State Senator from the Valley is, 'mit to hot,' about the re-election vernar Wilber M. Brudsker Senator Howell ara aga, was one of the their apprings Brucker ardent supporters. He did much to help the Saginaw prosecutor win the guberjacorial vision. ing coster. All of which geveals the sea politics. It will be interesting, after Sep to learn how Brucker can in Opesaning.

## Is All The Work Finished?

connections. ley Resor, in Nation's Business, seems to think cost foughly \$11,000,000,000 to finish this not counting the power plants, poles, lines, mains, sewers and a few other billion-dollar
