## State Banking Relief Needed

date beathking netter Needed date beath and the special of a stars supervised balk that early 25 years did business as the First Stage Savabank of Birmingham, Michigair It closed its line 16, 1915, with savings and commercial its amounting to \$1193,282.05, representing simurately \$,000 accounts. The State Banking timent, through the Oakland Country Circuit to appointed a receiver, whose sole task is to see for those depositors the remaining assets of the

d then witness this; after 17 months of undate the bink's assets, a measyl little in dividend is declared! that great common sted dividend in the great year of eal known as 1922 Yes, It in mot, in, our o, se comment is not intended as a tirade again the coveryer, who is dougle the best he can unumratured, not does it offer consolar sectivet, who is doing the best he can his cumstance, nor does it offer consolated magement of the bank that allowed it late great gobs of apparently intolven. That is water over the dam. But we question at whether or not a great State in cannot set up and maintain a quality suspervision and control that provides in for the care of peoples money than has by the example of the closed First State is here.

### Our Proposed Justice Court

restricted of transpironly, or whether laymen should also all contents the majority opinion of the commission is that if the office were restricted, the field from which a competent judge could be chosen in a popular in the center of the majority opinion of the commission which a competent judge could be chosen in a popular in the center of the court were not sufficient, as it might not be during the first few years, to warrant a salary which would attract the best available lawyers.

A group of 17 actorneys, all resident in Brimingham and some practicing here, are unanimous in their opinion, however, that the office should be limited to meet only and presented to the charter commission will open the procession. A petition, signed by the meeting, and presented to the charter commission and storneys and presented to the charter commission and storneys who are called upon to appear in such Court."

Tray, this is a problem which merits thorough trudy and nature deliberation before a decision is reached. Members of the charter commission are spealing to the citizenty of Birmingham for their opinions and suggestions in the matter. What do you think?
