## Bridge To Benefit Student Loan Fund

For the purpose of assisting four young people in Birmingham, who have applied for loans to continue their education, the Student Loan Fund Association will sponsor a benefit bridge at the Community House Tuesday afternoon and evening.

Those in charge include the officers of the Association, with Mrs. J. H. Rosen, president, as chairman, assisted by Mrs. Paul Panfield, vice-president, and Mrs. Mabel Roy, trustee.

The Student Loan Fund Association of Birmingham is an organization founded in 1919 for the purpose of "procuring, receiving and administering funds of money or other capital assets in order to render financial assistance in pursuit of further education to such students as are deemed deserving and worthy by the corporation."

The fund was established by a gift of \$100 from the graduating class of Baldwin High School of 1919. Other organizations added to this amount from time to time increasing the fund until it had reached the sum of \$8,857.07 by August, 1932.

Since that time, the demands have been greater owing to the financial depression and the fact that funds were made unavailable due to the closing of the First State Savings Bank a year ago.

The Association plans to continue the work of assisting students, and to that end, the officers have planned the bridge benefit to aid in meeting four new applications this year.
