2 New Teams Added To Softball League

Because the four teams already organized could not take care of all the boys desiring to play softball at Baldwin High School, two new teams, the Rockers and Ironmen, have been formed. Coach Miles W. Robinson, and the team managers, are managed by Richard Parsons and the irregulars by Ralph Price.

Because of the new entries it was decided that a new schedule would be drawn up so games will be played each day, Monday, Tuesday and Wednesday, and two games each on Thursday and Friday.

The games are played on the M. C. A. and Hill School diamonds.

Results of games from last Wednesday follow: Wednesday, Seniors 9; Outlaws 8; Monday, Ironmen 9; Rockers 9; Tuesdays, Seniors 9; Sophas 8; Tuesday, Juniors 23; Outlaws 5.

PAN-AMERICANISM IS ROTARY TOPIC

Club Member / Hear Data On United States' Brother Nations

A highly interesting and informative talk on "Pan-Americanism" was offered to local Rotarians yesterday noon by Charles J. Shain, chairman of the international relations committee, and Clarence Vliet, former Rotary International Director.

Mr. Shain had arranged with Pan-American officials at Washington, D. C., to borrow the flags of every Central and South American nation and he exhibited them out to the club Monday.

Mr. Shain's figures revealed that South American countries have a total of 193 Rotary Clubs, with a membership totalling, 5,093, in the United States. There are 2,446 Rotary Clubs with combined membership of 106,240.

Mr. Vliet, former superintendent of the Birmingham public schools, who is the old "Big Beaver," took his audience on a rapid historical and statistical trip over the great continent that is 5,000 miles long and 3,000 miles wide, and is composed of Spanish and Portuguese. These languages have come down through the generations because of the fact that the Spanish sent out the early colonizing groups, lead by Cortez and Pizarro.

These various countries, stated Mr. Vliet, purchase a total of \$1,000,000,000 worth of goods from the United States, and are probably the richest in natural resources of any nations in the world today. He pointed out the importance of maintaining friendly relations with them, in keeping with the Monroe Doctrine's policy of America being a sort of "big brother" to the South Americans.

Nations of South America included with the United States in the Pan-American group are Argentina, Bolivia, Brazil, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, El Salvador, Guatemala, Haiti, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Uruguay, and Venezuela.

Harry E. Bissett, president of the club, appointed Frank J. Mulholland, Phil J. Williams, and Dr. Herbert R. Scott, commissioners to the annual district conference, to be held May 7, 8, and 9 in Windsor.

Mr. and Mrs. E. J. Winters entertained their Five Hundred club Friday evening. Prizes were won by Mr. J. M. Hardin of Birmingham, Mrs. Frances Adams, and Elmer Schroeder. A delightful luncheon was served.

Mr. and Mrs. Alex Beaubien were guests for a few days last week at the home of Mr. and Mrs. Jack Harbus in Detroit.

Mrs. Irene Bleakley of Royal Oak was the dinner guest Sunday of Mrs. Flora Welch.

Mr. and Mrs. H. H. Schultz were guests of Mr. and Mrs. Otto B. Linforth.

Mr. John Robman of Ferndale was the guest of Mr. and Mrs. George Ford for a few days last week.

Mr. and Mrs. Rolle Dixon of Long Lake road were guests Sunday of the latter's parents, Mr. and Mrs. W. H. Lamb.

Miss Mary Kohnan was the guest of her father last week of Mr. and Mrs. R. C. Hale of Rochester.

The Crusaders of the Big Beaver Club have begun work on three one-set plays to be presented May 26.
