

ON TO RECOVERY!

Birmingham Merchants have joined with the President in his War on Depression. Here they are . . . the Members of the NRA

Whole heartedly, and with full accord, Birmingham merchants and Service institutions have fallen in line with the President and the N R A. Store hours have been uniformly regulated throughout all local stores. Hours of employees have been changed to conform with the new regulations and wages have been increased in accordance with the established codes. Birmingham—DO YOUR PART . . . BUY FROM MEMBERS OF THE N R A . . . who are doing THEIR PART.

In some business classifications (such as Service Stations, Drug Stores, etc.) new codes have not been adopted. In these cases, the employers have made all the adjustments possible and are awaiting the adoption of a general code. In the meantime, their business hours remain the same until such a time as they can be adjusted according to the new codes.

WE DO OUR PART
