THEY'LL NEVER FORGET A VACATION IN MICHIGAN

PEOPLE living in other states who spend a summer in Michigan come back again and again. For this land of lakes and sunshine, modern highways and progressive cities, offers summer pleasures in greater variety than any other section.

Thousands of visitors spend a great deal of money in our state each summer, creating employment for many people and adding to the prosperity of all Michigan. We can increase that business greatly if each of us will urge others to visit Michigan. We can contribute even further by spending our own vacations here.
