Differences
 If America underells Europe, that is superior efficiency; if Russia underells America, that is, dumping.—Denver, Texas, Record-Chronicle.

Tip to Brides
 Tip to brides: No matter what love may be able to do to the world, it takes more than that to make a small salary go round.—Boston Herald.

Two Of A Kind
 Professor (finding only one student in class room)—Well, where are all the rest of the faculty?
 Student—I don't know sir. It seems that we are the only two here.—Georgia Cracker.

Evolution
 Scraps of hides and skins from which glue has been diverted into a new chemical process which refines them up the scale into whibity instead of downward into an adhesive makes a new kind of chicken feed, rich in protein.

DISCONTINUED RAILROAD COACH MAKES LIBRARY

The town of Point Reyes, in the redwood district of California, was without a library building. Then the railroad that served the town was discontinued. Citizens bought one of the old railroad cars, hauled it to a vacant lot adjoining the public school, and made it into a comfortable library which loans 500 books monthly. The coach library, with Mrs. R. Martin in charge, is pictured.
