

If you have one or more children in school, you probably find it a rich experience to witness some activity in which they are taking part. These little folks are different at school than they are at home. To know them in both roles is good for parent and child.

# Do Your Christmas Shopping In Birmingham

Only 8 more shopping days before Christmas! Time is passing quickly and before we know it Christmas Eve will be here. The busy murmur of the workaday world will cease and over all the country will fall a soft blanket of peace. Eager wide-eyed children will be packed reluctantly off to bed to await the advent of a miraculous Santy who crawls through keyhole and chimney alike. White tissue-paper packages will be piled waiting on the mantel. Games and toys will be before the fireplace and beneath the Christmas tree.

Where, in these last 8 days are we going to select the gifts that will be in those packages? Why spend hours of tiring search among the crowded stores of the city, only to discover later that many of the gifts for which you drove miles could have been selected in the stores and shops of our own community? Go to our own tradespeople first whose friendly service means so much in the happiness of our community and home life and who appreciate the business you give them.

Why not visit the Birmingham stores first? There is a million dollars worth of merchandise awaiting your selection. Look for it first in Birmingham!
