The names were approved at a meeting of the Baldwin Athletic Board of Control last Thursday afternoon. The Board is composed of the principal, Melvin C. Hart; the athletic director, Ernest Engel; Baldwin's two coaches, Miles W. Robinson and Franklin Whitney; Miss Helen Hammond, girls' athletic director, and representatives from the senior, junior and sophomore classes as well as a member from both the Varsity Club and the Girls' Athletic Association.

Of the 20 letter winners, only five will return to Baldwin next season, the other 15 graduating. The five are Harry Schack, Norman Clark, Guy Howard, Dick de Brauchier and Warren Forester. The remainder of the list includes Herbert McBride, Joe Stoffe, Norman Pearson, Don Donaldson, Fred Schwarze, Fred Boynton, Randolph Kutter, Bob Harris, Fred Cushing, Clark Matthews, Dick Forester, Chuck Miller, William Guckelberg and Kenneth McBride.

Jack Sager and John Allman were granted the Senior Service Awards.

### BAROON QUINT KNOXES OPENER

Lack Of Experience Felt In 24 to 18 Defeat At Dearborn

By DEAN BEIER

With a squad composed of four lettermen and four boys who had never before seen service in a varsity game, Coach Franklin Whitney's Baldwin High School basketball team met defeat in its first game of the season Friday night at the hands of the Dearborn court. The final score was 24 to 18.

In spite of the fact that three men in the Baldwin starting lineup lacked experience, the Maples gave a fine showing. Their team work was good and their basket shooting was excellent.

Prior to the game, Whitney had announced that no boys who had played football would be used in the opening game. He changed his mind, however, at the end of the first half, when the Dearborn team, 15 to 10, he called on Kenneth McBride and Fred Schwarze, who had been playing the game from the grandstands, to don uniforms.

### MAPLE CAGERS OPEN HOME SEASON TODAY

Baldwin High School cagers will open their home season this evening in the Baldwin gym when they meet the first and second teams from Rochester High School. The preliminary game is scheduled for 7 o'clock.

Coach Franklin Whitney ordered all football men to report for practice Monday afternoon. Ten boys, Fred Cushing, Fred Schwarze, Fred Boynton, Don Donaldson, Bob Harris, Warren Forester, Chuck James, Harry Schack, Guy Howard and Chuck Miller, respectively, will Whitney plans to use most of them in one of tonight's games.

played football would be used in the opening game. He changed his mind, however, at the end of the first half, when the Dearborn team, 15 to 10, he called on Kenneth McBride and Fred Schwarze, who had been playing the game from the grandstands, to don uniforms.

### Schwarze Leads Maples

He outscored the fray near the close of the third period, and Schwarze sank two field baskets and three free throws. He also threw to lead the Baldwin team in scoring. But their appearance was too late, and the Dearborn boys nullified each Baldwin basket with one of their own.

The Baldwin players displayed two weaknesses. They failed to follow up their shots from the key, which was the Dearborn team's mark. Of 18 free tosses, they made only 10.

The Baldwin outfit shows promise of going places this season. George McKinstry, with two years of basketball ahead of him, should make a good guard when his passing and shooting improves. Fred Mintling, forward, lacks experience, but has three more years of college. Wayne Guckelberg, another guard and a junior, will have to fit a little better into the team. Fred Cushing, who has come up to the standard set by his teammates, and the fourth man, Frank Phillips, who has a good deal of basket shooting practice to do.

In past years, Whitney has used a man-to-man defense most of the time. Friday his team used a combination man-to-man and zone style defense. This style, though more difficult, is probably more effective when used correctly.

When Schwarze and McBride entered the contest late in the third period, the score stood 14 to 9 for Dearborn. Two field goals and a foul toss brought the Orange score to 18, while the Maples made only one point, a foul throw by Freeman, before the period ended.

All of the Maroon scoring in the final period was done by Schwarze, and Dearborn was held to two baskets and a pair of free throws.

In the second team preliminary tilt, a Baldwin squad composed nearly entirely of freshmen went down in defeat, 23 to 9. Don Clark, showing some of the best basket shooting form a Baldwin reserve team member has ever exhibited, was high scorer with five points.

### Here is a gift that is more than a new stove.

It is a gift of freedom—freedom to spend long afternoons (even the entire day) doing the things you like. Freedom from standing over a hot stove, freedom from the drudgery of hours spent in cleaning a greasy stove and soot-blackened utensils. Freedom from cleaning soiled kitchen walls and curtains.

These are only a few of the reasons why an electric range means so much FREEDOM to the modern Home Manager. The new fully automatic electric range gives her hours of added leisure and whole holidays from the kitchen. It assures perfectly cooked meals, piping hot and ready to serve when she returns home.

You do not need to buy an electric range to find out if you like electric cooking. We will install an electric range without initial charge, and let you use it for six months, removing it without charge if you do not like it. During the trial period, you pay for the service as registered by your meter, plus a monthly charge of \$1 for the range. If you decide to keep the range, your monthly payments will be applied toward the purchase price. If you decide that you do not want it, the range will be removed at our expense. Send in your application for a trial range today.

A gift of 365 days of Freedom

This timer clock makes cooking with your electric range completely automatic. You can go out for an afternoon of cards, theater, shopping—and never worry about being home in time to cook supper. You simply set the whole meal in the oven before you leave. At the proper time, the clock turns the oven on, and after the meal has finished cooking, turns the oven off automatically. This convenience doesn't stop there. There is no flame burning all the time—the clock waits to be used. When you come home your supper is waiting—deliciously cooked and ready for the table. An electric range brings you REAL kitchen freedom!
