**ON GUARD . . . while you sleep**

Each night, many thousands of Michigan families rest more safely and securely because of the telephone in the house.

For, day and night, summer and winter, the telephone stands ready to summon police at the first unexplained sound . . . a fireman, at the first ominous whiff of smoke . . . a doctor, when accident or sudden illness intrudes.

Just one telephone call, in an emergency, may be worth more to you than the cost of telephone service for a lifetime.
