

Baldwin's Football Schedule for Next Season Is Announced

8 CONTESTS ON 1933 GRID CARD

Six Baldwin foes already named; two more to be added.

Six games have already been played on the Baldwin High School football schedule for 1933, and two more will be added later. The tentative card, as announced, by Ernest Evans, director of athletics, includes one new opponent, with three former foes dropped from the schedule.

Honor Students At Barnum Rewarded

15 Who Excelled in And Out Of Class Room Get Certificates

Scholarship certificates, presented by the Barnum Student Council to students whose names have appeared on the honor roll for at least two-thirds of the time during the past school semester and who have been active in some extra-curricular activity, were awarded to 15 students at an assembly held last Friday to honor the promoted ninth grade pupils.

Cage Varsity Scores Narrow 17-16 Win; Seconds Lose

Baldwin High School basketball teams chalked up one victory and suffered one defeat Friday when the first and second quintets met the varsity and reserve teams of Roosevelt High School of Wyandotte on the latter's court. After trailing the Wyandotte first-stringers throughout the entire first three periods, the Baldwin varsity staged a successful last quarter

CRANBROOK QUINT DEFEATS FACULTY

Varsity Wins, 25-16, Though Held Nearly Even in First Half

The Cranbrook School varsity defeated a basketball team composed of members of the faculty by a score of 25 to 16 at Cranbrook Friday. The score was 9 to 7 in favor of the students at half-time, and superior stamina put the game on ice for the younger players in the last two periods.

GROSSE POINTE-NEXT ON MAROONS' CARD

With seven victories and one defeat on its season's record to date, the Baldwin High School basketball quintet will make its third appearance on a foreign court Friday night when both the first and second squads will travel to Grosse Pointe to meet the high school varsity and reserve teams there.

E. Morse Cooke, principal of Adams School, announced Monday the names of 23 junior high students whose names have appeared on the honor roll at the end of every marking period during the year.

WYANDOTTE 'S DEFEAT MAPLES

The Wyandotte High School team, which the Maples beat last Friday by a one-point margin, was defeated Saturday by Grosse Pointe, 43 to 19. Grosse Pointe was defeated earlier in the season by Monroe, 22 to 20. Baldwin downed the Monroe-men in three overtime periods, 28 to 24.

STYLED HATS for now and spring

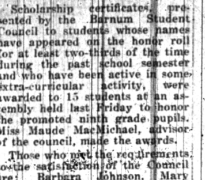

Let's face the facts. No man is well dressed without the proper hat. A well-fitted suit, harmoniously blended haberdashery, smartly styled shoes—all need the crowning touch of the right hat!

Surgeon General Cumming says: "Wear a hat to protect your head."
We say: "Wear a Dickinson to reflect your good judgment in matters of correct dress."

Class Periods At Adams Junior High School Lengthened In New Study Plan

An effort to improve the quality of junior high school studies at Adams School by E. Morse Cooke, principal, will be in effect Monday. The new plan, being used as an experiment at Adams, calls for a one-hour class period a day in place of the usual seven which were each 45 minutes in length.

ZERO HOUR for Battery & Brakes

Your battery and your brakes face the hardest part of the motoring year. Brief daylight and starting on cold mornings have made unusual demands on your battery. Besides, this perishable unit is getting older every day—and its days are numbered regardless of how good it was when new.

As for your brakes, the lack of snow this winter has maintained normal high speeds in driving, thus causing unusual wear on lining and the braking system as a whole. Check up! If you have to invest in service on these two important units remember that the winter has been easy on the coal pile.

And cheer up, as your battery may need only a refilling—which is free—or recharging for a small sum. Should you need a new battery we have them for less than the cost of a ton of coal. Your brakes may be all right—let us check them free of charge. Should they need relining you can still get by for the price of a ton of coal. Accurate adjustments from \$1.00 up.
