Third Overtime Period Gives Maples Victory Over Monroe

BALDWIN WINS THRILLER, 28-26

Canever's Shot In Third Overtime Period Subdues Monroe

Victor Canever, guard on the Baldwin High School basketball five, gave his team its fifth successive triumph of the season Friday night on the home floor when he scored a much needed field goal in the third overtime session of the game against Monroe. The final score was 28 to 26.

After four periods of fierce battle in which they stayed neck-and-neck with their six-foot rivals, the Maroons were forced into second and third overtime periods, when they repeatedly tied the score in the last few seconds of play.

The game began as it finished, a battle for a lead. The Maples, in spite of their rivals' advantage in height, took the first few tip-offs and held the ball much of the time. At the quarter, scoring six points, Monroe had a 7 to 6 advantage.

Monroe Player Hurt

Early in the second round Ed Hagen, rangy Monroe forward, injured his wrist and was forced to leave the game.

In the last few minutes of the second chapter, Hagen's brother, Rudy, center for Monroe, came through with three scores to give the visitors a 12-11 lead at the intermission. Baldwin was able to stick with the giants because of superior passing and floor work.

The Maples started off with a bang as the third round began and scored five points before their opponents could get started. For a while it looked as though the lead would be held, but the Monroe guards began some sharp shooting in the last two minutes and regained a one-point advantage as the whistle ended the third quarter with the score 17 to 16.

McBride Opens Scoring

McBride, forward for Baldwin, opened the last quarter with a short field goal. Then Baker, forward and captain of the Red and White, dropped one through the net, followed by another from the hands of his teammate, Hagen. With two minutes to play, Schwarze, Maroons' captain, looped in a long shot. Hunt, veteran guard for Baldwin, tied the count at 21 all with a charity shot, only to see his team lose the advantage when Helmick duplicated his act for the visitors. Then, with less than a minute to go, Schwarze again deadlocked the score on a free throw after a Monroe player was called for backing away from the jump.

McBride scored for the Maples early in the first overtime session, but Tisdale made another round necessary when he swished the drapes of the Monroe goal from the double line.

McKee, center for the locals, sank a follow-up shot to renew the struggle in the second epilogue. His team tried to hold the lead by going on the defense, but lost the ball in the last 10 seconds to Baker, who again tied it up with a field goal.

Canever's Shot Wins

Before the third overtime period started, Referee Higgins announced that the first team to score would be given the game. Hunt took the ball from center after a minute had elapsed and passed to McBride, who returned it to Canever at the other guard position. Vic dribbled to the side near the middle of the floor and took the last shot of the tilt, a neat arch which dropped through the hoop without touching it.

Honors for scoring were divided among McKee and McBride for Birmingham, and Captain Baker for Monroe, each accounting for eight points.

The Baldwin reserve quintet easily defeated Clawson in a preliminary game by a 22 to 15 score. Rumsey, a substitute guard for the Maples, led the scorers with six points, although he played only one quarter.

The lineup for the varsity game follows:

Birmingham	G.	F.	T.
Schwarze (C), f.	1	2	4
McBride, f.	3	2	8
McKee, c.	4	0	8
Laughlin, c.	0	0	0
Hunt, g.	3	1	7
Bunyan, g.	0	0	0
Canever, g.	1	0	2
Totals	12	4	28

Monroe	G.	F.	T.
Baker (C), f.	4	0	8
E. Hagen, f.	1	1	3
Wales, f.	0	0	0
R. Hagen, c.	3	1	7
Stien, g.	0	0	0
Helmick, g.	0	0	0
Tisdale, g.	3	0	6
Totals	11	4	26

Maple, Acorn Fives Clash Here Friday

Royal Oak will be the next opponent of the Baldwin High School basketball quintet. The game will be played on the Baldwin floor Friday night, a second team tilt, beginning at 7 P. M., preceding the main contest.

The Acorns will invade the court of a Maroon team which is approaching the mid-way mark on its schedule with a perfect record. Baldwin has won five games and scored 157 points to its opponents' 80.

Royal Oak was defeated last week by Hazel Park. The score was 27 to 21.

Baldwin lost its game with Royal Oak last season, 18 to 10.

POLICY ON PARTIES WILL BE CHANGED

School Heads Authorized To Try Out New Student Social Function Program

The Board of Education last Thursday night authorized the superintendent and principals of Birmingham schools to try out a new policy in regard to student parties, along a program which "to them seems best adapted to meet present conditions."

Although no definite departures from the present policy were suggested, it was indicated that changes will be made along lines suggested in a recent letter to Superintendent Charles W. Crandell from Melvin Gilbert, principal of Baldwin High School. Mr. Hart's suggestions follow:

"1. That the auditorium be made available for parties when the judgment of the superintendent and principal, the size of the group and the type of party desired would warrant its use. Such parties might be given for individual classes or for the entire group of students comprising the junior or senior high organizations." (Under the present policy only four school parties are permitted in the Baldwin Auditorium each year.)

Alumni Attendance Urged

"2. That Alumni and former students be encouraged to maintain a contact with their school with invitations to all parties given for the senior high student body, excepting the junior-senior reception.

"3. Since the closing of our school cafeteria, the serving of meals to large groups within our own building is practically out of the question, consequently a number of requests are made each year to hold parties at the Community House where food may be served. The junior-senior reception in June is an illustration. It is suggested that the superintendent and principal be empowered to pass on these requests.

"4. It is understood that during this period of rigid economy stringency in which heating, lighting and janitor service costs form considerable items, the use of the auditorium for evening parties shall be restricted to a minimum."

Crandell Concurs

Mr. Hart's suggestions, in which Mr. Crandell concurred, were based on his opinion that a more elastic policy was needed because of changed conditions and educational standards.

They followed definite principles as set forth in his letter to Mr. Crandell, maintaining that conditions should be made sufficiently attractive within the school buildings that students will want to hold parties there instead of taking them to other buildings; that school parties should be continued as a medium for the development of citizenship and cultivation of the social graces; that rules and regulations governing school functions can be more easily enforced in school buildings than elsewhere; and that school parties may be made to form a strong bond between the alumni and school.

Larger Enrollment Seen For Baldwin

An enrollment larger by about 50 students is expected for Baldwin High School during the second semester to begin Jan. 30, Melvin C. Hart, principal, announced today.

A class of 7B's totalling 17 members will be added to the Baldwin Junior High enrollment, while seven students of the same grade will enter from Barnum.

A total of 58 students are expected to begin their high school careers, 35 coming from Barnum and 23 from Adams. The total number of new students is expected to be about 82, while 30 seniors will graduate.

JUNIOR COUNCIL ELECTIONS NEAR

Nominations Made For Offices At Baldwin, Barnum And Adams

With the end of the first school semester approaching, preparations are being made for the annual election of officers to the student councils of Adams, Barnum and Baldwin Junior High Schools.

At Baldwin, both Jim Allen and Bill Loud, present president and secretary-treasurer, respectively, are candidates for re-election.

Two girls have been nominated for the president's post at Adams. They are Louise Smith and Ruth Asper, both ninth grade students. For vice-president, Barry Thomas, John Neerkin and Sally Thomas have been nominated. Charles Boynton and Mary Allen will compete for the secretary-treasurership.

Walter Forbes and Robert Peebles have been nominated for the president's chair at Barnum. As the candidate that receives the second highest number of votes for the presidency is elected vice-president, both candidates are assured of election. The names of Muriel Dalley and Joan Campbell will appear on the ballot as candidates for the secretary-treasurer's job.

Ticket Sale Opens For Minstrel Show

Annual Baldwin High Washington Group Production Scheduled For Jan. 20

Tickets were placed on sale Tuesday afternoon for the Baldwin High School Washington Group Minstrel Show to be presented in the High School Auditorium Jan. 20. Walter Jensen is business manager of the production.

A good sale of tickets is expected, by William S. Toothacker, the adviser, since the show will be the only musical production given by any school organization this year.

The advertising committee is composed of John Peppered, Margaret Kidder and Barbara McCutcheon.

A cast of over 60 students will be led by David Curry, interlocutor, and John Peppered, Richard Coleno, Tom Schaefer and Bill Howting, end men. In addition to the usual dialogue and musical numbers, novel dancing specialties are being planned by Miss Helen Hammond, faculty sponsor in charge of the dancing chorus. Also, a 30-minute play is being rehearsed by students under the direction of Eugene Hubbard, adviser.

Proceeds of the production will be used to help the students finance their annual trip to Washington next spring. The minstrel show is the principal money-making venture of the group each year.

POSTPONE ATHLETIC AWARDS ASSEMBLY

Due to the illness of Miss Helen Hammond, physical education instructor, an assembly planned for the awarding of athletic merit letters Friday has been indefinitely postponed, according to Melvin C. Hart, principal of Baldwin High School.

Four major letters were to be given members of the Girls' Athletic Association who have done outstanding work during the past two years.

CRANE CAGERS TO MEET CANADIANS

Windsor Tech Will Furnish First Outside Competition On Winter Program

Outside competition comes to Cranbrook on its schedule of winter sports for the first time Tuesday, when the Cranes' Canadian rivals from the Windsor-Walkerville Technical School cross the border for a basketball game in Cranbrook Gymnasium. Relations with the Windsor school started during the soccer season, and meetings in several other sports are being planned.

Although the hockey team, temporarily transferred to the gymnasium by the absence of Old Man Winter, had a practice game before the holidays with the Wing Lake Athletic Club, and the basketball team plays Detroit City College Freshmen in a practice scrimmage today, no regularly scheduled encounters have as yet taken place for either aggregation.

No definite schedule has been made for the puckesters, who are playing volley ball until winter returns, but 10 hard games face the Crane cagers. Two games on a home-and-home basis with the Windsor team, Albion College Freshmen, and Cranbrook's old basketball enemy, Detroit University School, are on the card, and ties with Cleveland University School, Country Day School, the Cranbrook faculty, and Western Reserve Academy complete the bill.

Keith Pattengill, forward, and Palmer Beaudette, center, scoring machines of last year, are still with the squad, as is Pittsburgh Hardcastle at guard. Vic Pattengill, who alternated at forward last year, is again functioning in the Cranbrook attack, and Dick Andreae, a newcomer to the cage squad, looks good at guard.

Demrick, guard, is out for the season with a stiff knee, and the return of Gus Persson, forward, laid up with another knee injury, is doubtful.

Three Adams Junior High Classes To Be Seen Friday In One-Act Plays

Instead of the usual Freshman play which has been presented annually by the students of the ninth grade classes at Adams Junior High, the members of grades seven, eight and nine this year have decided to present three one-act plays. They will be given in the Adams Auditorium at 7:30 P. M. Friday.

Each grade will present a different play, under the supervision of Mrs. Della Wilson and Miss Alvena Beals.

The seventh grade has selected a playlet entitled "Elmer." The cast will be headed, by Paul Liepold in the title role. Others in the cast are Phyllis Walker, Nancy Weeks, Peggy Bailey, Mary Gunn, Virginia Barden, Sam Brunt, Bee Jah Martin and Dick Kimbrough. Fay Smith will sing a solo in connection with the performance.

"'Tis For Aunt Priscilla" has been chosen for presentation by members of the eighth grade class. The role of Aunt Priscilla will be taken by Mary Schunck. Other parts will be played by John Barr, by Patricia Allen, Charles Boynton and Baird Thomas. A short trio number will be presented by Edward Watkins, Marie Watkins and Tressie Thompson.

Bud Hertel carries the lead in the ninth grade play, "The Man From Brandon," playing the part of the captain of a football team. He is supported in the cast by Kirk Martin, Bill Pratt, Celia Ford, Carolyn Barnes, Ruth Workman and Helen Hogben.

HALIVER OIL

Vitamin A—

To help prevent colds and other germ diseases. To maintain good health and promote the growth of children.

Haliver Oil is equivalent in Vitamin A potency to 100 times that of high grade Cod-liver oil.

Vitamin D—

To aid bone growth and prevent the disease called Rickets—especially in children. To prevent tooth decay and aid in the clotting of blood.

Haliver Oil is equivalent in Vitamin D potency to 15 to 20 times that of high grade Cod-liver Oil.

One small, easy to take, capsule of Haliver Oil is equal in Vitamin A potency to 4½ teaspoonsful of a high grade Cod-Liver Oil. Also available in 10 c. c. and 50 c. c. vials.

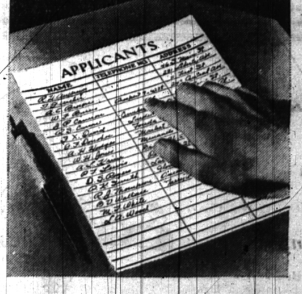
MICHIGAN BELL TELEPHONE CO.



APPLICANTS WHO HAVE TELEPHONES USUALLY GET FIRST CALL

When employers need additional help, they usually take the easiest and quickest way of reaching applicants and former employees—THEY CALL THEM BY TELEPHONE.

Other things being equal, the applicant or former employee who can be reached by telephone usually is the one who gets the job. Just one such call might more than justify the cost of telephone service for months.
