Have you a small apartment?

You can do all your cooking on these three electrical appliances!

Compact, low cost, and inexpensive to operate, this special cooking combination is ideally suited for the smallest apartment. Operating on any light socket, the appliances together equal a small electric range in the cooking operations they perform. You can bake, broil, roast, stew and fry with this equipment. The combination, consisting of a Kitchenette Grill, Portable Oven, and Electric Casserole, brings you ALL the advantages of electric cooking—its deliciousness, healthfulness, sealed-in flavor, convenience and cleanliness—at a fraction of the cost of an electric range. And best of all, it brings you added hours of freedom; you can go out for the afternoon while your evening meal is cooking.

Reliable electrical appliances are sold by Hardware Stores, Department Stores and Electrical Dealers. THE DETROIT EDISON CO.
